

## CITY OF MARSHALL AGENDA ITEM REPORT

<b>Presenter:</b>	Pamela Whitmore/Steven Anderson
<b>Meeting Date:</b>	Tuesday, November 25, 2025
<b>Category:</b>	NEW BUSINESS
<b>Type:</b>	ACTION
<b>Subject:</b>	Adoption of an Ordinance Amending Ch. 22, Article VIII, Section 225 Limits on Registrations
<b>Background Information:</b>	<p>The city council passed Ordinance 25-010 on August 26, 2025, adding provisions for the registration of tribal cannabis retailers. The State of Minnesota signed two tribal compacts and at the time the Office of Cannabis Management provided insufficient information regarding how the tribal compacts would interact with local registration.</p> <p>The tribal compacts are now officially available on the Office of Cannabis Management (OCM) website. The City Attorney after review of the compacts and updated OCM guidance determined that the ordinance for registration of Cannabis Retailer Businesses was no longer accurate. Tribes operating a retail location off reservation due to a compact do <u>not</u> need to register with a municipality, but that tribal retail store may now count toward the number of available city registrations.</p> <p>As a result of this new interpretation the city's ordinance for cannabis registration must be slightly adjusted to comply with the current compacts in place. As of 11/21/2025 the State of Minnesota has signed compacts with five tribes: Mille Lacs Band of Ojibwe, White Earth Nation, Prairie Island Indian Community, Fond du Lac Band of Lake Superior Chippewa, and Leech Lake Band of Ojibwe.</p>
