Report on the Financial Statements

We have audited the accompanying financial statements of United Community Action Partnership, Inc. ("the Agency") which comprise the statement of financial position as of September 30, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended and the related notes to financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Agency's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of United Community Action Partnership, Inc. as of September 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States.

Other Matters

Other Information – Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information listed in the table of contents, including the schedule of expenditures of federal awards, as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. The supplementary information is the responsibility of management and was derived from and relates directly to, the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 25, 2021, on our consideration of United Community Action Partnership, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

United Community Action Partnership, Inc. is a nonprofit organization established under the Federal Economic Opportunity Act of 1964 (the "Agency"). The Act empowers community action agencies to address the causes and conditions of poverty at the local level. The Agency serves nine Minnesota Counties (Cottonwood, Jackson, Kandiyohi, Lincoln, Lyon, McLeod, Meeker, Redwood and Renville). The Agency offers innovative programs and services to address meeting basic needs, education, employment training, transportation services, housing counseling, affordable housing solutions, emergency services, transportation, community economic development projects, after-school programs, weatherization, energy efficiency, asset-building, financial literacy, child development, and services and opportunities for returning military veterans, home-bound seniors and people with disabilities. The Agency operates with a combination of federal, state, and local funding.

Basis of Presentation

The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United State of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

The Agency considers cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents.

Restricted Cash – Construction Draw Account

The Agency has established a FDIC insured (which is secured by pledged securities) depository account as a separate, special, segregated and irrevocable cash collateral account which will be maintained at all times until termination of the related agreements.

Certificates of Deposit

Certificates of deposit is carried at cost.

Short-Term Investments

The Agency records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statement of financial position. Net investment return/(loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances for program services provided. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. Changes in the valuation allowance have not been material to the financial statements. Management determined no allowance was needed as of September 30, 2020.

Grants Receivable

Grants receivable are government and pass-through grants received subsequent to September 30, 2020 and specifically allocated to the Agency's operations for 2020. No allowance is deemed necessary due to the nature of the government grants.

Land Contracts Receivable and MURL Home Inventory

The Agency received funding from the Minnesota Housing Finance Agency (MHFA) for the Minnesota Urban and Rural Housing Program (MURL). The program provides funding for the acquisition and rehabilitation of single-family homes. The purchase and rehabilitation of homes are recorded as inventory. The homes are sold on the basis of no-interest installment loans, and revenue is recognized for the sale price of the home.

The inventory of homes not sold, if any, is recorded at the lower of cost or market. Any loans repaid are a reduction in land contracts receivable. The land contracts receivable has been discounted at the prevailing market rate at the inception of the mortgage. There is no allowance provided on these loans, since any uncollectible loan would be secured by the property (see Note 5 for further details).

Thrift Store Inventory

The inventory of the thrift stores consists of donated items that have been recorded at management's estimate of fair value.

Donated Vehicle Inventory

The donated vehicle inventory has been recorded at management's estimate of fair value based on blue book values.

Donated Food Inventory

The inventory of the food shelves consists of donated items that have been recorded at management's estimate of fair value.

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Single-Family Homes Inventory

The Agency constructs quality affordable housing for income eligible homebuyers using funds financed with Minnesota Housing Finance Agency. Single-family homes inventory is held for sale and is stated at the lower of cost or net realizable value. Cost is determined using the first in first out method. Net realizable value is the estimated selling price in the ordinary course of business, less reasonably predictable costs of completion, disposal, and transportation.

Property and Equipment

Property and equipment are capitalized at cost. Depreciation is provided for using the straight-line method over the estimated useful lives of the assets of 2 to 40 years. The Agency considers items with a cost greater than \$5,000 and a useful greater than one year to be property and equipment.

Property and equipment purchased with grant funds are owned by the Agency while used in the program for which they were purchased or in other future authorized programs. However, the various funding sources have a reversionary interest in the property and equipment purchased with grant funds. Its disposition, as well as the ownership of any proceeds therefrom, is subject to funding source regulations. The property and equipment purchased with grant funds are normally restricted for use in specific programs operated by the Agency.

Long-Lived Assets

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. Determination of recoverability is based on an estimate of undiscounted future cash flows resulting from the use of the asset and its eventual disposition. Measurement of an impairment loss for long-lived assets is based on the fair value of the asset. Long-lived assets to be disposed of are reported at the lower of carrying amount or fair value less costs to sell. Management has determined that no impairment existed at September 30, 2020.

Paycheck Protection Program Loan

The Agency follows the Financial Accounting Standards Board's Topic 470-*Debt* in accounting for its Paycheck Protection Program (PPP) loan. The loan is accounted for as a financial liability and interest is accrued at the specified rate of 1.00%. The proceeds from the loan remain as a liability until either (1) the loan is, in part or wholly, forgiven and the Agency has been legally released or (2) the Agency pays off the loan to the creditor. Once the loan is (in part or wholly) forgiven and legal release is received, the Agency will reduce the liability by the amount forgiven and record a gain on extinguishment.

Debt Issuance Costs

The Agency amortizes debt issuance costs over the term of the related debt instruments and follows ASU 2015-03, *Simplifying the Presentation of Debt Issuance Costs*, which requires the Agency to present debt issuance costs in the statement of financial position as a direct deduction from the related debt liability rather than as an asset and the amortization of debt issuance costs is included in interest expense. Charges to interest expense related to amortization of debt issuance costs was \$10,128 for 2020.

United Community Action Partnership, Inc.
Notes to Financial Statements

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Assets

Net assets and revenue are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Agency and changes therein are classified and reported as follows:

Net assets without donor restrictions

Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net assets with donor restrictions

Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends, or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Revenue Recognition

A significant portion of the Agency's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Agency has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. The Agency received cost-reimbursable grants of \$18,258,450 that have not been recognized at September 30, 2020 because qualifying expenditures have not yet been incurred.

Other grants and contributions are recognized when cash, securities, or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met. There were no other conditional grants and contributions at September 30, 2020.

Program income consists mainly of public transit farebox revenue and thrift store revenue and is recorded in the accounting period that the service is performed.

Contract revenue is from the Agency providing public transportation services under a contract. Contract revenues are recorded in the accounting period the service is provided.

Sale of single-family homes revenue is recorded in the year the Agency sells the home.

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

In-Kind Contributions

The Agency has recorded in-kind contributions for space, donated materials, and professional services in the statement of activities in accordance with U.S. GAAP, which require that only contributions of services received which create or enhance a nonfinancial asset or require specialized skill by the individual possessing those skills and would typically need to be purchased if not provided by donation be recorded. U.S. GAAP requirements are different than the in-kind requirements of several of the Agency's grant awards. The Agency recognized \$22,517 of contributed services for the Head Start program in 2020. The Agency received contributions of nonprofessional volunteers during the period with an estimated value of \$244,312 primarily for its Head Start program, which are not recorded in the statement of activities.

The Agency recognized \$609,477 of donated goods which includes food shelve donations as well as donated space in the amount of \$551,873.

Presentation of Sales Tax

The Agency collects sales tax from customers and remits the entire amount to the appropriate state for thrift store sales. The Agency's accounting policy is to exclude the tax collected and remitted from revenues and cost of sales.

Advertising Costs

The Agency's policy is to expense advertising costs as they are incurred. For 2020, the Agency incurred advertising costs totaling \$22,658.

Unemployment Insurance and Restricted Cash

The Agency reimburses the State of Minnesota for unemployment payments as allowed by the State of Minnesota statute. The Agency utilizes an outside vendor to manage claims and reimburse the State of Minnesota for actual unemployment claims paid. The Agency makes estimated quarterly payments from corporate funds to the outside vendor to cover estimated claims and to build a reserve for future unemployment claims. The amount of funds held by the outside vendor as of September 30, 2020 was \$139,469 and are shown as restricted cash.

Unemployment Insurance Expense and Payable

The State of Minnesota provided an estimate for the amount of the Agency's unemployment insurance claims for the time period of March 29, 2020 through September 30, 2020 that is anticipated to be reimbursed through provisions of the CARES Act; as of September 30, 2020, the estimated reimbursement amount was \$88,215. The Agency reduced its unemployment insurance expense and payable amounts by this amount.

United Community Action Partnership, Inc.
Notes to Financial Statements

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cost Allocation

The Agency follows a cost allocation plan to allocate joint costs not directly attributable to specific programs. Joint costs are those costs incurred for the common benefit of all Agency programs that cannot be readily identified with a final cost objective. Joint costs are allocated to benefiting programs using the direct method allocation. The direct method allocates joint costs to each program based on its share of the allocation base.

Functional Allocation of Expenses

The costs of providing the program and supporting services have been summarized on a functional basis in the statement of activities. The statement of functional expense presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program and supporting services benefited and based on an estimate of staff time spent on each function.

Tax Status

The Agency is a Minnesota nonprofit corporation and has been recognized by the IRS as exempt from federal income taxes under IRC Section 501(a) as an organization described in IRC Section 501(c)(3), qualify for the charitable contribution deduction under IRC Sections 170(b)(1)(A)(vi) and (viii), and has been determined not to be a private foundation under IRC Sections 509(a)(1) and (3), respectively. The Agency is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Agency is subject to income tax on net income that is derived from business activities unrelated to the exempt purposes. Management has determined that the Agency is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

Recently Adopted Accounting Pronouncement

Clarifying Guidance for Contributions Received and Contributions Made

On October 1, 2019, FASB ASU 2018-08, Not-for-Profit Entities (Topic 958): *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made* became effective. This update clarifies the guidance for evaluating whether a transaction is reciprocal (i.e., an exchange transaction) or nonreciprocal (i.e., a contribution) and for distinguishing between conditional and unconditional contributions. The update resulted in a net asset reclassification of \$2,856,865 as of October 1, 2019.

Recently Issued Accounting Pronouncements

Revenue Recognition

In May 2014, the FASB issued ASU No. 2014-09 (Topic 606) - Revenue from Contracts with Customers ("ASU No. 2014-09" or "Topic 606"), which provides guidance for revenue recognition that superseded the revenue recognition requirements in Accounting Standards Codification "ASC" Topic 605, Revenue Recognition ("Topic 605") and most industry specific guidance. Under ASU 2014-09, revenue is recognized when promised goods or services are transferred to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. In June 2020, the FASB issued ASU No. 2020-05 which defers the effective date one year making it effective for annual reporting periods beginning after December 15, 2019. Early adoption is permitted. The provisions of this ASU are to be applied using either the retrospective approach or modified retrospective approach. The Agency is currently evaluating the impact this standard will have on its financial statements.

Contributed Nonfinancial Assets

In September 2020, the FASB issued ASU No. 2020-07 Not-for-Profit Entities (Topic 958): *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which is intended to improve transparency in the reporting of contributed nonfinancial assets, also known as gifts-in-kind, for not-for-profit organizations. In addition to enhanced disclosures for contributed nonfinancial assets, this ASU requires not-for-profit organizations to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets. The amendments in this ASU should be applied on a retrospective basis and are effective for annual reporting periods beginning after June 15, 2021. Early adoption is permitted. The Agency is currently evaluating the impact this standard will have on its financial statements.

Leases

In February 2016, the FASB issued ASU No. 2016-02, *Leases* (Topic 842). The new guidance will require all leases to be recorded as assets and liabilities on the statement of financial position. This update would require capitalization of the "right to use" an asset and recognition of an obligation for future lease payments for most leases currently classified as operating leases. Other leases currently classified as capital leases will be referred to as financing leases and will continue to be recorded as assets and liabilities in a similar manner. In June 2020, the FASB issued ASU No. 2020-05 which defers the effective date one year making it effective for annual reporting periods beginning after December 15, 2021. Early adoption is permitted. The provisions of this ASU are to be applied using either the retrospective approach or modified retrospective approach. The Agency is currently evaluating the impact this standard will have on its financial statements.

NOTE 2 – LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise of the following:

	2020
Cash and cash equivalents	\$ 2,475,761
Certificate of deposit, at cost	179,575
Short-term investment	9,350
Accounts receivable	115,572
Grants receivable	2,597,305
Less funds held for other agencies - fiscal agent	(47,471)
Less refundable advances	(571,177)
Less net assets with donor restrictions	(3,652,214)
Total financial assets available for general expenditures	\$ 1,106,701

The Agency does not have a formal policy however it structures its financial assets to be available as its general expenditures, liabilities and other obligations as they come due. In addition, as part of its liquidity management, the Agency would invest cash in excess of daily requirements in various short-term investments, including certificates of deposit and short-term treasury instruments. Net assets with donor restrictions includes \$1,271,297 related to MURL home inventory and land contracts receivable. The Agency also has access to a line of credit if needed (see Note 7).

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurements and disclosures topic of FASB ASC establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Agency has the ability to access at the measurement date.

Level 2 inputs are inputs other than quoted market prices included in level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 inputs are unobservable inputs for the asset or liability. agreement whereby the Agency owns a secured interest in securities sold by the bank. The securities, which consist of government bonds, had a fair value of \$3,044,423 at September 30, 2020.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2020.

Investments – Valued using quoted market prices.

Thrift store inventory – Valued using the market approach based on historical sale prices for similar items sold in the thrift store.

Donated vehicle inventory – Valued using the market approach based on the Blue Book values of similar vehicles.

Donated food inventory – Valued using the market approach based on the valuation guide obtained from Second Harvest.

Fair values of assets measured on a recurring basis are as follows:

	Level 1	Level 2	Level 3	Total
Investment - growth and income	\$ 9,350	\$ -	\$ -	\$ 9,350
	\$ 9,350	\$ -	\$ -	\$ 9,350

Fair values of assets measured on a non-recurring basis are as follows:

	Level 1	Level 2	Level 3	Total
Thrift store inventory	\$ -	\$ 27,462	\$ -	\$ 27,462
Donated vehicle inventory	-	26,221	-	26,221

NOTE 5 – LAND CONTRACTS RECEIVABLE

The Agency received funding from the MHFA for the MURL program as disclosed in Note 1. The program provides funding for the acquisition and rehabilitation of single-family homes. The rehabilitated homes are sold by the Agency to eligible homebuyers under a no-interest, installment loan basis. The monthly loan payment is set at the greatest of 10% of homebuyer’s gross monthly income or 25% of their adjusted gross monthly income. The loan payment covers real estate tax and insurance escrow and the repayment of the loan. The duration of loans varies according to the amount of the loan and the amount of the monthly payments.

The Agency records land contracts receivable and other income from the sale of inventory upon the sale of the homes. The land contracts receivable at September 30, 2020, are as follows:

Land contracts receivable	\$ 1,139,423
Discounted at 5%	<u>(331,306)</u>
Land contracts receivable, net	808,117
Current position	<u>(73,466)</u>
Long-term portion	<u><u>\$ 734,651</u></u>

The unamortized discount is the difference between the face amount of the land contract and its present value discounted at a compound interest rate. The discount is amortized over the life of the land contract.

NOTE 6 – PROPERTY AND EQUIPMENT

NOTE 8 – NOTES PAYABLE (CONTINUED)

Note payable to First Children's Finance (Subordinate Lender) at 8.5% interest with monthly payments of \$1,187. The loan matures October 2026. The note is secured by real estate.	\$ 67,151
Less debt issuance costs	(1,674)
Paycheck Protection Program (PPP) loan with Old National Bank that calls for monthly installments of \$9,612 including interest at 1.00%, beginning February 2021 through April 2022, with loan proceeds potentially being forgiven if funds are used in accordance with program guidance (A).	<u>170,800</u>
Total	1,694,053
Current portion	<u>(205,165)</u>
Long-term note payable	<u><u>\$ 1,488,888</u></u>

(A) The Agency applied for and obtained the loan, administered by the U.S. Small Business Administration, established under the Coronavirus Aid, Relief, and Economic Security (CARES) Act. Under the terms of the loan, the Agency can apply for and be granted forgiveness for a portion or all of the loan. Forgiveness will be determined, if during a specified period after the loan origination, the Agency maintains certain employee levels and uses the proceeds on eligible expenses including payroll, benefits, rent, and utilities. In December 2020, the Agency's PPP loan was forgiven by the SBA. The Agency must retain all records relating to the loan for six years from the date of forgiveness and must permit authorized representatives of the SBA, including representatives of its Office of Inspector General, to access such files upon request.

In connection with the some of the Agency's note payable agreements, the Agency has agreed to certain covenants. For 2020, the Agency violated some of these covenants; however, those violations have been waived by the lenders.

The notes payable with Propel Nonprofits and First Children's Finance are subordinate loans and are included in a *Pari Passu* Intercreditor Agreement with the Agency.

NOTE 10 – OPERATING LEASES

The Agency leases various facilities and equipment for operation of its programs. The operating lease payments for 2020 amounted to \$453,825.

Future binding commitments on non-cancelable operating leases are as follows:

2021	\$ 435,399
2022	403,304
2023	331,331
2024	303,386
Thereafter	<u>1,428,026</u>
Total minimum future lease payments	<u>\$ 2,901,446</u>

NOTE 11 – RETIREMENT PLAN

The Agency has a savings plan for its employees under IRS Code Section 401(k). Eligible employees may contribute a portion of their wages to the plan up to the maximum allowed per IRS regulations. The Agency matches up to 5% of the employee's compensation. The employer's pension expense for 2020 was \$233,314.

NOTE 12 – PROGRAM OPERATIONS

The Agency has a grant with the State of Minnesota, Department of Commerce for outreach, intake, eligibility, and certification of Low-Income Home Energy Assistance Program (LIHEAP)-eligible participants. Client benefits for LIHEAP-eligible participants are subsequently paid directly by the State of Minnesota. Client benefits in the amount of \$3,141,186 paid by the State of Minnesota are not included in the statement of activities because they were not part of the grant award.

NOTE 13 – MATCHING FUNDS

Certain grants require securing matching funds from other sources. The Agency has met the matching fund requirements through September 30, 2020.

NOTE 14 – FISCAL AGENT AGREEMENTS

The Agency acts as the fiscal agent for the Cinco de Mayo Committee, Meeker Family & Friends Circles of Support, Meeker County Domestic Violence and HOMES. The Agency collected \$18,002 and disbursed \$21,724 on behalf of these entities during 2020.

NOTE 15 – SUPPLEMENTARY CASH FLOW INFORMATION

Noncash investing and financing activities:

At September 30, 2020, the Agency had \$444,152 of capitalized building costs included in accounts payable.

During 2020, the Agency paid off notes payable totaling \$500,000 with funds received from the sales of constructed single-family homes.

NOTE 16 – COMMITMENT

The Agency contracted for the construction of a Head Start building in Marshall, Minnesota. At year-end the total outstanding commitment consisted of the following.

	Project Authorization	Work Expended	9/30/2020 Commitment
Contractor	\$ 4,400,636	\$ 4,380,636	\$ 20,000

NOTE 17 – CONCENTRATIONS

Cash and Cash Equivalents

The Agency maintains cash balances at seven banks. The Agency's bank accounts are sometimes in excess of Federal Deposit Insurance Corporation (FDIC) coverage. Bank account balances are insured by the FDIC up to \$250,000. To minimize the risk of cash balances, the Agency has elected to participate in a sweep account with two banks. The Agency sweeps cash daily into a repurchase agreement whereby the Agency owns a secured interest in securities sold by the bank. The securities, which consist of government bonds, had a fair value of \$3,044,423 at September 30, 2020.

Union Employees

Approximately 41% of the Agency's employees are members of the Minnesota Council 65, of the American Federation of State, County and Municipal Employees, AFL-CIO, Union #3444. The Agency's contract with the union was subject to renegotiation during 2020. The Agency's other employees are not represented by a union.

Revenue

Federal grant revenue from the U.S. Department of Health and Human Services for the Head Start program was approximately 33% of total revenue for the Agency during 2020.

NOTE 18 – RISKS AND UNCERTAINTIES

On March 13, 2020, a national emergency was declared for COVID-19 outbreak in the United States of America. This event affects the economy and financial markets. The extent of the impact on the Agency may be both direct and indirect and will vary based on the duration of the outbreak and various other factors. An estimate of the financial effect on the Agency's financial statements cannot be determined at this time.

NOTE 19 – SUBSEQUENT EVENTS

Subsequent events have been evaluated through February 25, 2021, which is the date the financial statements were available to be issued.

The Agency's negotiated contract with the AFCSME Council 65 Union effective August 1, 2020 received final approval from all parties as of December 9, 2020.

The Agency received notification from the Small Business Administration on December 8, 2020 of the forgiveness of the Agency's Paycheck Protection Program loan received through Old National Bank. The full loan amount of \$170,800 and interest of \$1,081 were forgiven.

In February 2021, the Agency was awarded an additional \$2,534,059 from Minnesota Finance Housing Authority for CARES Housing Assistance Program (CHAP) funding.

In February 2021, the Agency was awarded an additional \$805,000 from the State of Minnesota Department of Human Services for Emergency Solutions Grant CARES Act - Rapid Rehousing funding.

United Community Action Partnership, Inc.
Notes to Schedule of Expenditures of Federal Awards
Year Ended September 30, 2020

NOTE 1 – BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of the Agency under programs of the federal government for the year ended September 30, 2020. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Agency, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Agency.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting, which conform to accounting principles generally accepted in the United States of America. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

NOTE 3 – INDIRECT COST RATE

The Agency has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

NOTE 4 – ENERGY ASSISTANCE PAYMENTS

Included in CFDA 93.568 are client benefits paid directly by the State of Minnesota of \$3,141,186. These expenditures are not included in the statement of activities.

NOTE 5 – PASS-THROUGH ENTITY IDENTIFICATION NUMBERS

Several of the programs, grants and/or awards included in the schedule are missing the pass-through entity identification numbers. The missing numbers are due to the pass-through entities not providing the pass-through identification numbers.

**Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit
of Financial Statements Performed in Accordance with
*Government Auditing Standards***

Independent Auditor's Report

To the Board of Directors
United Community Action Partnership, Inc.
Marshall, Minnesota

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of United Community Action Partnership, Inc., which comprise the statement of financial position as of September 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to financial statements and have issued our report thereon dated February 25, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Agency's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance for Each Major Federal
Program and on Internal Control Over
Compliance Required by Uniform Guidance**

Independent Auditor's Report

To the Board of Directors
United Community Action Partnership, Inc.
Marshall, Minnesota

Report on Compliance for Each Major Federal Program

We have audited United Community Action Partnership, Inc.'s compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Agency's major federal programs for the year ended September 30, 2020. The Agency's major federal programs are identified in the summary of the auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Agency's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Agency's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Agency's compliance.

Opinion on Each Major Federal Program

In our opinion, United Community Action Partnership, Inc. complied, in all material respects, with the types of compliance requirements referred to in the first paragraph that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2020.

Report on Internal Control Over Compliance

Management of the Agency is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to in the first paragraph. In planning and performing our audit of compliance, we considered the Agency's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of This Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
