Subject: Request for One-Time Noise Ordinance Exception for 50-Year Anniversary Celebration
Date: 2026-07-28

Kyle Randall, owner of Randall's Uptown Bar, has requested a one-time exception to the City's 10:00 p.m. noise ordinance curfew to allow a solo singer to perform on the patio until 11:00 p.m. on August 15, 2026, as part of the establishment's 50-year anniversary celebration. Because the curfew is established by ordinance, I informed Mr. Randall that I do not have the authority to approve the request administratively and that it must be reviewed by the Ordinance, License, & Permit Committee. The request before the Committee is to consider allowing live music until 11:00 p.m. for this one-time event recognizing 50 years in business.
