**From:** Daron J Haugh – City Administrator  
**Subject:** 2025 Capital Improvement Plan - Mower  
**Date:** 2024-05-28

---

The Parks department is up for replacement in 2025 for a new mower. Per conversations with Jordan Wilke, mowers of what we need are ordered out to the following year. I'm seeking permission to start the process with Request for Proposals to bring back to council for approval with a pick-up year of 2025.
