During the fourth quarter of 2025, the Mauston Area Municipal Court operated under normal procedures with no significant changes in operations. Court sessions were held as scheduled, and all cases were processed in accordance with standard court practices. Case volume remained consistent with previous quarters, reflecting a typical flow of citations, ordinance violations, and truancy matters.

The Judge and Clerk met with Mauston School District and New Lisbon School District to have open dialogue on Truancy and expectations moving forward of how each handles these cases. The cooperation has been helpful and positive. A new Youth Justice Coordinator, Erica, was hired at Juneau County. The court had a positive and productive meeting with her and looks forward to collaborative efforts when it comes to working with shared Juvenile cases.
