- 2) Applicant(s) must be prepared to commit to living primarily in the property for a minimum of three (3) years. The program provides a grant, in the form of a deferred loan, for down payment and reasonable closing costs. The deferred loan shall not exceed (\$5,000). A lien or second mortgage will be placed upon the property for three (3) years and will be released, provided the owner(s) maintain and occupy the property as their primary residence and do not rent or sell the property within three (3) years. If the property is sold or rented within the 3-year period, the owner shall return all the financial assistance received. The amount is not pro-rated. If sold, the full amount of assistance due back will be paid out of the net proceeds at closing. The program will allow for loan subordinations for the purpose of refinancing to a lower percentage rate or shorter loan term only.
- 3) Applicant(s) must be approved for and obtain a first mortgage loan by an approved licensed mortgage lender. Loan terms secured by housing under this program shall be considered reasonable in the local primary lending trade. The interest rate for the mortgage must be reasonable and customary.
- 4) The home buyer, mortgage lender, and settlement agent will be notified by the city that a check will be disbursed. The check will be issued to the settlement agent.
- 5) Program funding and lot availability is subject to change. This program does have limited funding and may be suspended by the city at any time.
- 6) There are no income restrictions on applying for this program. Applicants may only pay up to 30% of their gross monthly income for a housing payment, including principal, interest, insurance and taxes. Applicants must prove the existence of a legitimate primary mortgage lender or other financing acceptable to the City of Mauston. At the time of application, the home buyer must have an accepted sales contract. A property inspection is required for this program.
