**Subject:** South Side Utility Extension Project - Bid Award Recommendation  
**Date:** August 8, 2025

---

On Tuesday, August 5<sup>th</sup>, we opened bids for the South Side Utility Extension Project. The intent of the project is to install water and sewer utilities west of the existing fairgrounds to serve a future residential development.

Construction is scheduled for fall of 2025.

Per the bid opening, three (3) bids were submitted. The lowest, responsible bidder was BKC Construction LLC with a bid price of \$697,168.66.

BKC Construction LLC is located in La Crosse and recently acquired Zenke Inc, out of La Crescent, MN. Zenke Inc. is a reputable utility contractor with a good record of work and financial standing.

MSA is not familiar with BKC Construction, so references were requested, and communication was had with the Engineer who oversaw several of the listed reference projects. Feedback on Zenke Inc. as well as more recently BKC Construction, was all positive in terms of work performed and financial standing.

BKC Construction has confirmed that they are content with their bid prices presented.

We recommend the Village Board award the project to BKC Construction LLC for the project bid cost of \$697,168.66.

If you have any questions, please feel free to reach out. Thank you.
