

Above RHWM Estimates FY 2025 - FY2028

Updated by BPA Liz Oberhausen, PSS May 18, 2021

Above-RHWM Load estimates are for planning purposes only. Customers' Above-RHWM Load amounts will be determined during the RHWM Process for the applicable Rate Period. For example, for the FY 2024 - 2025 Rate Period, this determination will be made in the summer of 2022.
