**R E C I T A L S:**

1. On December 14, 2022, the Council adopted and the Mayor approved Ordinance 876 as the base document setting forth the revenues and expenditures anticipated to be utilized by the City for the year 2023.

2. Since the adoption of the referenced ordinance, during the course of the continuing review of the 2023 Budget, the City Clerk-Treasurer has continued the identification and refinement of the figures involved in the 2023 budget based upon actual revenue and expense information received from certain departments. As a result, she has recommended making adjustments to fund balances within the budget, all as set forth upon Amended Attachment A.

3. After extensive review, it has been determined the best interests of the Citizens and this City are served by the adoption of a budget as set forth upon Amended Attachment A.

4. Specifically, this proposed amendment includes increases in expenditures in the Ambulance Fund (Fund 413). The fund balance supports the increases in expenditure lines due to changes in the contract with Fire District 5 after the budget was adopted. The expenditure increases are as follows: \$15,000 increase to Ambulance Service Contract (line 522-70-41-010), increase of \$8,000 in salaries and wages (line 522-70-10-000) increase in \$5,000 in Payroll benefits (522-70-10-000).

5. The budget as set forth is balanced in terms of projected income and expenditures.
