MCPD Dept. Updates

All,

Happy September! Here are a few department updates that I can provide at this time.

1) County Coverage

I have been in contact with Chief Wecker from the Grays Harbor County Sheriff's Office, discussing getting consistent coverage from them for when we don't have any MCPD officers on duty. This will hopefully solve the issue of the department not having any city coverage from time to time.

2) Communications with Chief Gay

I was contacted by Chief Gay yesterday, 9/1, regarding him assisting in department needs such as department questions, advice, etc. This is useful for when basic, routine questions may pop up.

3) Department Status – Day to Day

Currently, the main focus of the department is keeping things in compliance, such as public records, warrant/orders, evidence, etc.. Common things like property returns and full report closure have been halted so I can focus on things that keep us in compliance. Steady on down the line!

Please feel free to email or call me if you have any questions! I hope you all had an excellent summer.

Kindly,

Dani Reeves
