

City of McCleary

STAFF REPORT

To:	Mayor Miller and Council
From:	Jenna Jarvis, Field Foreman
Date:	September 6, 2023
Department:	Public Works

Hello everyone!

The Public Works crew has been hard at work prepping, helping with, and cleaning up after the county came into chip seal. The county is finishing up with a fog seal today.

Everyone may have noticed the library got a new face lift with some minor repairs, a fresh coat of paint and cleaning the bricks out front. The outside of the Police station got a fresh coat of paint as well.

You may have seen the crews out and about replacing crosswalk bars, adding playground chips to both playgrounds, and cleaning up around hydrants and signs.

We are also slowly shifting gears in preparation for the upcoming rainy season. We have been mowing/weed eating ditches and storm ponds as well as brush removal. We have also been doing some camera work in storm lines in preparation to jet problem areas around the city.

Have a wonderful day,
-Jenna Jarvis
