To:	Mayor Huff and Council
From:	Fire Chief Andrew Pittman
Date:	June 1, 2026
Department:	Fire Department

Hello all,

We have received our new forceable entry prop, thank you to the council and mayor for approval. AC DeBakker has been working on some projects for the department including integrating information into first due software and working on uniforms for the volunteers. The tires have been installed on Engine 1211 and are in service.

We are gearing up for wildland season as it has been a very mild winter we can expect more potential for wildfires.

We have a new applicant that we are going through the onboarding process with, and a couple more new applications.

Our May call numbers are as follows:

Lift Assists= 3 Cancelled call-2 Wildfire-1

Medical Response=1 Fires- 3 Vehicle accidents-1 Not available for calls-1

Total=12

Fire District 12 medical responses =9

We are now coming into spring and with spring comes seasonal yard maintenance. Keep in mind that a free burn permit for residents of the city of McCleary and Fire District 12 can be obtained from ORCAA at no cost to the residents. These permits will keep you up to date on burn restrictions as they are issued and have a full list of regulations that must be followed for outdoor burning. Thank you for the opportunity and Stay Safe,

Chief Andrew Pittman
