

City of McCleary
STAFF REPORT

To:	Mayor and Council
From:	Cory Marsh
Date:	6/5/2026
Department:	Public Works

Hello Everyone,

Public Works has been busy with R.O.W. Mowing, our goal is to have all areas mowed and maintained before bear fest.

I did receive the amount from city wide clean up! Lemay hauled out 79.8 tons of garbage from Saturday, and we are getting back \$400 for the scrap metal that was hauled off.

In June, we will be repairing a water leak on Summit Rd, Evergreen Rual Water was able to come out with their leak detector and pinpoint where we need to dig. We will be working with the state as we will have to set up traffic control.

Starting June 15th. we will start our bear fest prep so we can get ahead in case something happens.

If you have any questions, feel free to reach out to me

Thank You

Cory Marsh
