Subject: Asphalt and Concrete Crushing Bid Acceptance

### RECOMMENDATION

Please accept the bid from Quigg Bros for the crushing of the concrete and asphalt at the Summit waste site.

### BACKGROUND

Below are the 3 pricing quotes for crushing of concrete and asphalt piles at the Summit waste site that is near well #3. It has been estimated by the contractors that there approximately 900-1000 cubic yards of material to crush. We have budgeted \$40,000 in 2021 for this work.
