<b>Department:</b>	Fire Department

Hello all,

The department will complete their Wildland FF2 refresher training as well as a couple of us will take the initial certification to get ready for wildfire season. One member has graduated from the EMT-B course and will be taking his national certification test soon.

The city has decided to continue our contract with LEXIPOL so that we can keep our policies and procedures updated, this is a very important step for our department operations and our liability. We have installed new counsels into all our apparatus to be fitted with I-Pads in order to have response information as well as important information while on scenes.

Our National Night Out date this year will be August 6<sup>th</sup>, we hope to see a great showing from the community!

Firefighter Mike Madison chose to resign from the department to pursue other interests. We would like to thank firefighter Mike Madison for his for his 12 years of service to the citizens of our community.

April call numbers are as follows:

Vehicle Accidents = 1    Fire = 1    Public assists = 3    Mutual Aid Medical = 1  
Fire Alarm = 1    Other Response= 1  
Total= 8
