

CITY COUNCIL AGENDA ITEM COVER SHEET

FROM: Tyson Ryder, Public Works Assistant

DATE: August 14, 2024

**AGENDA ITEM
TITLE:** Assured Data Protection Master Services & License Agreement (MSLA) Renewal

SUMMARY

The city currently receives data backup and disaster recovery services through Assured Data Protection. The software is supported through an MSLA that is attached for your reference and approval. The MSLA is renewed on an annual basis and necessary to have in place to support the hybrid application from Assured Data Protection. If renewed, the MSLA would be valid through 9/01/2025.

FISCAL IMPACT

Annual cost for this service is \$2,100 a month for the next 12-month cycle. The cost of service is paid from the professional services line item in the public works funds (water, sewer, stormwater, light & power).

RECOMMENDATION/ACTION REQUESTED

Approve renewal of the contract for services.
