Mayor Huff,

I am interested in applying to fill your open Council position. I was at the meeting last week when it was announced to contact the City if interested.

Here is a brief work history. I have worked in government finance for over 40 years. I most recently worked for the City of Shelton in the Finance Department for 6 years until retiring this summer. My prior employment was in Minnesota working for two different counties in the Finance Departments. While in Minnesota I also had served a term on the Evansville school board.

Please let me know what the next steps would be to apply for the position. I didn't find anything listed on the website.
