Hello all,

The Fire Department Association will be participating in the annual guns and hoses softball tournament to kick off Bear Festival weekend on Friday night July 12th. Please come out and show your support. Association members will also be cooking the bear stew once again this year, hope to see you all come to support the community.

We would like to take a moment to recognize our own member, Wyatt Allardin for graduating from Elma High School on June 8th. Wyatt is a new member on the department and is currently in an apprenticeship program at Capital Industrial.

Our Partners at GHFD#12 have gone out and purchased a set of practice CPR manikins, in the hopes of getting some training opportunities out to our citizens. Stay tuned for those training dates in the near future.

Our National Night Out date this year will be August 6th, we hope to see a great showing from the community!
