

City of McCleary  
**STAFF REPORT**

<b>To:</b>	Mayor Miller and Council
<b>From:</b>	Paul Nott
<b>Date:</b>	11/1/2022
<b>Department:</b>	Light and Power

Hello All,

This past month the crew has been keeping busy with general maintenance of our electrical system and fielding customer requests.

We're still up on 6<sup>th</sup> street when time allows. We had a couple outages last month, one was a rotten tree on County Line Road and the other was a jumper that was burning up on Summit Road at Larson Road.

If anyone has any questions or concerns, feel free to contact us...

Paul
