Department Report:

- Audits:
The Police Department has completed both its departmental audit and technical audit. The results were positive, and all identified items requiring correction are currently being addressed.
- Grant:
We submitted a grant application for two new radar units, one vehicle-mounted radar and one handheld radar.
- New Hire:
Ed Owen has been hired to fill our vacant patrol position, and his first day of duty will be December 3rd. Although Ed is joining us as an entry-level officer, he has completed the police academy and brings prior law enforcement experience. After a gap in service, he will attend a two-week academy refresher course. Ed's life experience and background will make him a valuable asset to the department and the community.
