Communications

- 1.) The water and sewer committee met on August 22nd, 2025, at 9am in the conference room. Public works presented quotes for a new line locator for marking out underground utilities, committee recommended purchase at a cost of \$5,700 from Batco. 2.) reviewed quotes for new fire hydrants that were never installed from unfinished development in the woodland hills subdivision, committee recommended purchase at \$7,700 from Michigan pipe and valve. 3.) special guest from plastic omnium- Mobility on W. Beecher, requesting credit for water that was supplied to facility and gets lost to evaporation and does not enter the sanitary sewer. Public works will work with the facility maintenance personnel and select a meter that measures sewer flow leaving the facility.
- The Department of public works will be flushing fire hydrants and water mains beginning on September 17th, 2025, flushing will continue until October 24th 2025. Residents are reminded to check cold water for clarity prior to washing light colored clothing.
