Failure to respond to each question posed will result in bids being disqualified. A positive response to any of the foregoing questions will NOT result in an automatic disqualification. Rather, the City's evaluation of a bidder's responsibility to perform the work will take into account the overall responses provided, including the nature, volume, and timing of each suit, charge, citation, debarment, suspension, or license action.

i.15 **RESERVATIONS:** The City reserves the right to reject any or all bids or any part thereof; to rebid the solicitation; to reject non-responsive or non-responsible bids; to reject unbalanced bids; to reject bids where the terms, prices, and/or awards are conditioned upon another event; to reject individual bids for failure to meet any requirement; to award by item, part or portion of an item, group of items, or total; to make multiple awards; to waive minor irregularities, defects, omissions, technicalities or form errors in any bid. The city may seek clarification of the bid from bidder at any time, and failure to respond is cause for rejection. Submission of a bid confers on bidder no right to an award or to a subsequent contract. The city is charged by its Charter to make an award that is in the best interest of the city. All decisions on compliance, evaluation, terms and conditions shall be made solely at the City's discretion and made to favor the City. No binding contract will exist between the bidder and the City until the City executes a written contract or purchase order.

- i.16 **OFFICIAL SOLICITATION DOCUMENT:** Changes to the solicitation document made by a bidder may not be acknowledged or accepted by the City. Award or execution of a contract does not constitute acceptance of a changed term, condition or specification unless specifically acknowledged and agreed to by the City. The copy maintained and published by the City shall be the official solicitation document.
- i.17 **COPYING OF BIDS:** Bidder hereby grants the City permission to copy all parts of its bid, including without limitation any documents and/or materials copyrighted by the bidder. The City's right to copy shall be for internal use in evaluating the proposal.
- i.18 **CONTRACTOR ETHICS:** It is the policy of the City to promote courtesy, fairness, impartiality, integrity, service, professionalism, economy, and government by law in the Procurement process. The responsibility for implementing this policy rests with each individual who participates in the Procurement process, including Respondents and Contractors.

To achieve the purpose of this Article, it is essential that Respondents and Contractors doing business with the City also observe the ethical standards prescribed herein. It shall be a breach of ethical standards to:

- a. Exert any effort to influence any City employee or agent to breach the standards of ethical conduct.
  - b. Intentionally invoice any amount greater than provided in Contract or to invoice for Materials or Services not provided.
  - c. Intentionally offer or provide sub-standard Materials or Services or to intentionally not comply with any term, condition, specification or other requirement of a City Contract.
- i.19 **GIFTS:** The City will accept no gifts, gratuities or advertising products from bidders or prospective bidders and affiliates. The city may request product samples from vendors for product evaluation.
- i.20 **TRADE SECRETS:** The Florida Legislature has determined in Florida Statutes § 815.04(3) (as to electronic records), and § 815.045 (as to all other records) that trade secret information, as defined in Florida Statutes § 812.081(1)(c), is confidential and exempt from public records disclosure. The statutory definition provides:

“Trade secret” means the whole or any portion or phase of any formula, pattern, device, combination of devices, or compilation of information, which is for use, or is used, in the operation of a business and which provides the business an advantage, or an opportunity to obtain an advantage, over those who do not know or use it. The term includes any scientific, technical, or commercial information, including financial information, and includes any design, process, procedure, list of suppliers, list of customers, business code, or improvement thereof. Irrespective of novelty, invention, patentability, the state of the prior art, and the level of skill in the business, art, or field to which the subject matter pertains, a trade secret is considered to be:

1. Secret.
2. Of value.
3. For use or in use by the business; and
4. Of advantage to the business, or providing an opportunity to obtain an advantage, over those who do not know or use it when the owner thereof takes measures to prevent it from becoming available to persons other than those selected by the owner to have access thereto for limited purposes.

However, the city will not be aware that a bid, proposal, or other response to a procurement solicitation contains such information. Therefore, bidders, proposers or other persons or entities responding to City solicitations must specifically and clearly identify all portions of their responses which are believed to be a trade secret, as defined by the law, and must, as to each such designation, provide the basis upon which the designated information is a trade secret. PLEASE NOTE that under Florida law, a private party cannot render public records exempt from disclosure as containing trade secrets merely by designating information it furnishes a governmental agency confidential. Thus, the mere designation of an entire submission as “confidential” will be insufficient to comply with this requirement.

While the City will, to the extent possible, cooperate in any court action a bidder, proposer or responder may bring against any third-party requesting to inspect and copy portions of a response asserted to be a trade secret, if a bidder, proposer or responder fails, prior to the submission of their materials to the City, to specifically and clearly designate information therein as a trade secret and to provide the supporting explanation for the designation, the right to assert the exemption may be lost, and the information may be subject to inspection and copying as otherwise provided for under the Public Records Act.

In the event any record is requested under the Public Records Act, procurement staff will consult with the City's legal counsel and, if City's legal counsel agrees with the designation, the City will assert the exemption and redact the relevant materials. If the City's counsel disagrees with the designation, City staff will inform the bidder, proposer or responder and that person or entity may file an injunctive or declaratory judgment action and seek such emergency orders as desired to protect the information. The City notes that absent some unusual justification, a bidder's or proposer's contract price shall not constitute a trade secret.

- i.21 **EVALUATION PROCESS:** Bids will be reviewed by the Bid Review Committee and representative(s) of the respective department(s). The city staff may or may not initiate discussions with bidders for clarification purposes. Clarification is not an opportunity to change the bid. Bidders shall not initiate discussions with any City employee or official.
- i.22 **CRITERIA FOR EVALUATION AND AWARD:** The City evaluates three (3) categories of information: responsiveness, responsibility, and price. All bids must meet the following responsiveness and responsibility criteria to be considered further.
- a) Responsiveness. The City will determine whether the bid complies with the instructions for submitting bids including completeness of bid which encompasses the inclusion of all required attachments and submissions. The city must reject any bids that are submitted late. Failure to meet other requirements may result in rejection.
- b) Responsibility. The city will determine whether the bidder is one with whom it can or should do business. Factors that the City may evaluate to determine "responsibility" include, but are not limited to: excessively high or low priced bids, past performance, references (including those found outside the bid), compliance with applicable laws-including tax laws, bidder's record of performance and integrity - e.g. has the bidder been delinquent or unfaithful to any contract with the City, whether the bidder is qualified legally to contract with the City, financial stability and the perceived ability to perform completely as specified. A bidder must at all times have financial resources sufficient, in the opinion of the City, to ensure performance of the contract and must provide proof upon request. City staff may also
- use Dun & Bradstreet and/or any generally available industry information. The City reserves the right to inspect and review bidder's facilities, equipment and personnel and those of any identified subcontractors. The city will determine whether any failure to supply information, or the quality of the information, will result in rejection.
- c) Price. We will then evaluate the bids that have met the requirements above. The City intends to award a contract to the lowest responsive, responsible bidder.
- i.23 **COST JUSTIFICATION:** In the event only one response is received, the City may require that the bidder submit a cost proposal in sufficient detail for the City to perform a cost/price analysis to determine if the bid price is fair and reasonable.
- i.24 **CONTRACT NEGOTIATIONS AND ACCEPTANCE:** Bidder must be prepared for the City to accept the bid as submitted. If bidder fails to sign all documents necessary to successfully execute the final contract within a reasonable time as specified, or negotiations do not result in an acceptable agreement, the City may reject bid or revoke the award, and may begin negotiations with another bidder. Final contract terms must be approved or signed by the appropriately authorized City official(s). No binding contract will exist between the bidder and the City until the City executes a written contract or purchase order.
- i.25 **NOTICE OF INTENT TO AWARD:** Notices of the City's intent to award a Contract are posted to Demandstar.com as well as the City of Madeira Beach website. **It is the bidder's responsibility to check Demandstar.com as well as the City of Madeira Beach's website at <https://www.madeirabeachfl.gov> to view relevant bid information and notices.**

- i.28 **CONTRACT DOCUMENTS:** The successful bidder shall, once the City issues its notice of intent to award, execute and return to the City the form of contract attached to this ITB as **Attachment “B”**, which is made a part hereof. This form of contract, along with the terms and conditions of this ITB, including the Attachments and any addenda thereto, as well as the successful bidders bid, shall collectively constitute the contract between the successful bidder and the City. - S.1 **DEFINITIONS:** Uses of the following terms are interchangeable as referenced: “vendor, contractor, supplier, proposer, company, parties, persons”, “purchase order, PO, contract, agreement”, “city, Madeira Beach, agency, requestor, parties”, “bid, proposal, response, quote”.
- S.2 **INDEPENDENT CONTRACTOR:** It is expressly understood that the relationship of Contractor to the City will be that of an independent contractor. Contractor and all persons employed by Contractor, either directly or indirectly, are Contractor’s employees, not City employees. Accordingly, Contractor and Contractor’s employees are not entitled to any benefits provided to City employees including, but not limited to, health benefits, enrollment in a retirement system, paid time off or other rights afforded City employees. Contractor employees will not be regarded as City employees or agents for any purpose, including the payment of unemployment or workers’ compensation. If any Contractor employees or subcontractors assert a claim for wages or other employment benefits against the city, Contractor will defend, indemnify and hold harmless the city from all such claims.
- S.3 **SUBCONTRACTING:** Contractor may not subcontract work under this Agreement without the express written permission of the city. If Contractor has received authorization to subcontract work, it is agreed that all subcontractors performing work under the Agreement must comply with its provisions. Further, all agreements between Contractor and its subcontractors must provide that the terms and conditions of this Agreement be incorporated therein.
- S.4 **ASSIGNMENT:** This Agreement may not be assigned either in whole or in part without first receiving the City’s written consent. Any attempted assignment, either in whole or in part, without such consent will be null and void and in such event the City will have the right at its option to terminate the Agreement. No granting of consent to any assignment will relieve Contractor from any of its obligations and liabilities under the Agreement.
- S.5 **SUCCESSORS AND ASSIGNS, BINDING EFFECT:** This Agreement will be binding upon and inure to the benefit of the parties and their respective permitted successors and assigns.
- S.6 **NO THIRD-PARTY BENEFICIARIES:** This Agreement is intended for the exclusive benefit of the parties. Nothing set forth in this Agreement is intended to create, or will create any benefits, rights, or responsibilities in any third parties.
- S.7 **NON- EXCLUSIVITY:** The City, in its sole discretion, reserves the right to request the materials or services set forth herein from other sources when deemed necessary and appropriate. No exclusive rights are encompassed through this Agreement.
- S.8 **AMENDMENTS:** There will be no oral changes to this Agreement. This Agreement can only be modified in a writing signed by both parties. No charge for extra work or material will be allowed unless approved in writing, in advance, by the City and Contractor.

S.9 **TIME OF THE ESSENCE:** Time is of the essence to the performance of the parties' obligations under this Agreement.

S.10 **COMPLIANCE WITH APPLICABLE LAWS:**

Upon request, Contractor will demonstrate to the City's satisfaction any programs, procedures, and other activities used to ensure compliance.

b. **Drug-Free Workplace.** Contractor is hereby advised that the City has adopted a policy establishing a drug-free workplace for itself and those doing business with the City to ensure the safety and health of all persons working on City contracts and projects. in writing by Contractor that they are prohibited from the manufacture, distribution, dispensation, possession, or unlawful use of a controlled substance in the workplace. Contractor agrees to prohibit the use of intoxicating substances by all Contractor personnel and will ensure that Contractor personnel do not use or possess illegal drugs while in the course of performing their duties.

c. **Federal and State Immigration Laws.** Contractor agrees to comply with the Immigration Reform and Control Act of 1986 (IRCA) in performance under this Agreement and to permit the city and its agents to inspect applicable personnel records to verify such compliance as permitted by law. Contractor will ensure and keep appropriate records to demonstrate that all Contractor personnel have a legal right to live and work in the United States.

(i) As applicable to Contractor, under this provision, Contractor hereby warrants to the City that Contractor and each of its subcontractors will comply with, and are contractually obligated to comply with, all federal immigration laws and regulations that relate to their employees (hereinafter "Contractor Immigration Warranty").

(ii) A breach of the Contractor Immigration Warranty will constitute as a material breach of this Agreement and will subject Contractor to penalties up to and including termination of this Agreement at the sole discretion of the City.

(iii) The City retains the legal right to inspect the papers of all Contractor personnel who provide services under this Agreement to ensure that Contractor or its subcontractors are complying with the Contractor Immigration Warranty. Contractor agrees to assist the city in regard to any such inspections.

Contractor acknowledges that it is responsible for complying with the provisions of the Immigration Reform and Control Act of 1986, U.S.C. § 1324, et seq., and regulations relating thereto. Failure to comply with the above statutory provisions shall be considered a material breach and shall be grounds for immediate termination of this Agreement. The Contractor's employment of unauthorized aliens is a violation of § 274(e) of the Federal Immigration and Employment Act. The Contractor shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired during the term of this Agreement and shall require the same verification procedure of any Subcontractors authorized by the

If Contractor enters into a contract with a subcontractor, the subcontractor must provide the contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien and Contractor shall maintain a copy of such affidavit for the duration of the contract. If Contractor develops a good faith belief that any subcontractor with which it is contracting has knowingly violated Florida Statutes § 448.09(1) (making it unlawful for any person knowingly to employ, hire, recruit, or refer, either for herself or himself or on behalf of another, for private or public employment within the state, an alien who is not duly authorized to work by the immigration laws or the Attorney General of the United States) Contractor shall terminate the contract with the subcontractor. The City is exempt from paying state and local sales/use taxes and certain federal excise taxes and will furnish an exemption certificate upon request.

- S.12 **AMOUNTS DUE THE CITY:** Contractor must be current and remain current in all obligations due to the city during the performance of services under the Agreement. Payments to Contractor may be offset by any delinquent amounts due the city or fees and charges owed to the city.

**In addition to all other contract requirements as provided by law, the contractor executing this agreement agrees to comply with public records law.**

**IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, Clara VanBlargan, phone: 727-391-9951 300 Municipal Dr, Madeira Beach, FL 33708. [Cvanblargan@madeirabeachfl.gov](mailto:Cvanblargan@madeirabeachfl.gov)**

The contractor's agreement to comply with public records law applies specifically to:

- a) Keep and maintain public records required by the City of Madeira Beach (hereinafter "public agency") to perform the service being provided by the contractor hereunder.
- b) Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for in Chapter 119, Florida Statutes, as may be amended from time to time, or as otherwise provided by law.
- c) Ensure that the public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
- d) Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.
- e) A request to inspect or copy public records relating to a public agency's contract for services must be made directly to the public agency. If the public agency does not possess the requested records, the public agency shall immediately notify the contractor of the request and the contractor must provide the records to the public agency or allow the records to be inspected or copied within a reasonable time.
- f) The contractor hereby acknowledges and agrees that if the contractor does not comply with the public agency's request for records, the public agency shall enforce the contract provisions in accordance with the contract.
- g) A contractor who fails to provide the public records to the public agency within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes.

- h) If a civil action is filed against a contractor to compel production of public records relating to a public agency's contract for services, the court shall assess and award against the contractor the reasonable costs of enforcement, including reasonable attorney fees, if:
1. The court determines that the contractor unlawfully refused to comply with the public records request within a reasonable time; and
  2. At least eight (8) business days before filing the action, the plaintiff provided written notice of the public records request, including a statement that the contractor has not complied with the request, to the public agency and to the contractor.
- i) A notice complies with subparagraph (h)2. if it is sent to the public agency's custodian of public records and to the contractor at the contractor's address listed on its contract with the public agency or to the contractor's registered agent. Such notices must be sent by common carrier delivery service or by registered, Global Express Guaranteed, or certified mail, with postage or shipping paid by the sender and with evidence of delivery, which may be in an electronic format.

A contractor who complies with a public records request within 8 business days after the notice is sent is not liable for the reasonable costs of enforcement.

- S.14 **AUDITS AND RECORDS:** Contractor must preserve the records related to this Agreement for five (5) years after completion of the Agreement. The City or its authorized agent reserves the right to inspect any records related to the performance of work specified herein. In addition, the city may inspect any and all payroll, billing or other relevant records kept by Contractor in relation to the Agreement. Contractor will permit such inspections and audits during normal business hours and upon reasonable notice by the City. The audit of records may occur at Contractor's place of business or at City offices, as determined by the city.
- S.15 **BACKGROUND CHECK:** The City may conduct criminal, driver history, and all other requested background checks of Contractor personnel who would perform services under the Agreement or who will have access to the City's information, data, or facilities in accordance with the City's current background check policies. Any officer, employee, or agent that fails the background check must be replaced immediately for any reasonable cause not prohibited by law.
- S.16 **SECURITY CLEARANCE AND REMOVAL OF CONTRACTOR PERSONNEL:** The City will have final authority, based on security reasons: (i) to determine when security clearance of Contractor personnel is required; (ii) to determine the nature of the security clearance, up to and including fingerprinting Contractor personnel; and (iii) to determine whether or not any individual or entity may provide services under this Agreement. If the City objects to any Contractor personnel for any reasonable cause not prohibited by law, then Contractor will, upon notice from the City, remove any such individual from performance of services under this Agreement.
- S.17 **DEFAULT:**
- a. A party will be in default if that party: (i) is or becomes insolvent or is a party to any voluntary bankruptcy or receivership proceeding, makes an assignment for a creditor, or there is any similar action that affects Contractor's capability to perform under the Agreement; (ii) is the subject of a petition for involuntary bankruptcy not removed within sixty (60) calendar days; (iii) conducts business in an unethical manner or in an illegal manner; or (iv) fails to carry out any term, promise, or condition of the Agreement.
  - b. Contractor will be in default of this Agreement if Contractor is debarred from participating in City procurements and solicitations in accordance with the City's Purchasing Policy and Procedures.
  - c. **Notice and Opportunity to Cure.** In the event a party is in default then the other party may, at its option and at any time, provide written notice to the defaulting party of the default. The defaulting party will have thirty (30) days from receipt of the notice to cure the default; the thirty (30) day cure period may be extended by mutual agreement of the parties, but no cure period may exceed ninety (90) days. A default notice will be deemed to be sufficient if it is reasonably calculated to provide notice of the nature and extent of such default. Failure of the non-defaulting party to provide notice of the default does not waive any rights under the Agreement.

- d. **Anticipatory Repudiation.** Whenever the City in good faith has reason to question Contractor's intent or ability to perform, the city may demand that Contractor give a written assurance of its intent and ability to perform. In the event that the demand is made, and no written assurance is given within five (5) calendar days, the City may treat this failure as an anticipatory repudiation of the Agreement.

S.18 **REMEDIES.** The remedies set forth in this Agreement are not exclusive. Election of one remedy will not preclude the use of other remedies. In the event of default:

- a. The non-defaulting party may terminate the Agreement, and the termination will be effective immediately or at such other date as specified by the terminating party.
- b. The City may purchase the services required under the Agreement from the open market, complete required work itself, or have it completed at the expense of Contractor. If the cost of obtaining substitute services exceeds the contract price, the City may recover the excess cost by: (i) requiring immediate reimbursement to the City; (ii) deduction from an unpaid balance due to Contractor; (iii) collection against the proposal and/or performance security, if any; (iv) collection against liquidated damages (if applicable); or (v) a combination of the aforementioned remedies or other remedies as provided by law. Costs includes any and all, fees, and expenses incurred in obtaining substitute services and expended in obtaining reimbursement, including, but not limited to, administrative expenses, attorneys' fees, and costs.
- c. The non-defaulting party will have all other rights granted under this Agreement and all rights at law or in equity that may be available to it.
- d. Neither party will be liable for incidental, special, or consequential damages.

S.19 **CONTINUATION DURING DISPUTES:** Contractor agrees that during any dispute between the parties, Contractor will continue to perform its obligations until the dispute is settled, instructed to cease performance by the City, enjoined or prohibited by judicial action, or otherwise required or obligated to cease performance by other provisions in this Agreement.

S.20 **TERMINATION FOR CONVENIENCE:** The City reserves the right to terminate this Agreement in part or in whole upon thirty (30) calendar days' written notice.

S.21 **TERMINATION FOR CONFLICT-OF-INTEREST FLORIDA STATUTES SECTION 112:** Pursuant to F.S. Section 112, the city may cancel this Agreement after its execution, without penalty or further obligation, if any person significantly involved in initiating, securing, drafting, or creating the Agreement for the City becomes an employee or agent of Contractor.

S.22 **TERMINATION FOR NON-APPROPRIATION AND MODIFICATION FOR BUDGETARY CONSTRAINT:** The City is a governmental agency which relies upon the appropriation of funds by its governing body to satisfy its obligations. If the City reasonably determines that it does not have funds to meet its obligations under this Agreement, the City will have the right to terminate the Agreement without penalty on the last day of the fiscal period for which funds were legally available. In the event of such termination, the City agrees to provide written notice of its intent to terminate thirty (30) calendar days prior to the stated termination date.

S.23 **PAYMENT TO CONTRACTOR UPON TERMINATION:** Upon termination of this Agreement, Contractor will be entitled only to payment for those services performed up to the date of termination, and any authorized expenses already incurred up to such date of termination. The City will make final payment within thirty (30) calendar days after the City has both completed its appraisal of the materials and services provided and received Contractor's properly prepared final invoice.

S.24 **NON-WAIVER OF RIGHTS:** There will be no waiver of any provision of this agreement unless approved in writing and signed by the waiving party. Failure or delay to exercise any rights or remedies provided herein or by law or in equity, or the acceptance of, or payment for, any services hereunder, will not release the other party of any of the warranties or other obligations of the Agreement and will not be deemed a waiver of any such rights or remedies.

S.25 **INDEMNIFICATION / PRESERVATION OF IMMUNITY:** Each party hereby agrees to fully

indemnify and hold harmless the other, its officers, employees, and agents from and against any and all claims, losses, costs, expenses, actions and causes of action, including reasonable attorney's fees at all levels, arising out or by reason of any damage or injury to persons or property suffered or claimed to have been suffered, by any intentional or negligent act or omission of the indemnifying party, its directors, officers, employees, or agents in the carrying out of the terms and conditions of this Agreement. The Party claiming right to indemnification ("Claimant") will give the indemnifying Party ("Indemnitor") prompt notice of any such claim and the Indemnitor will undertake the defense thereof by representatives of its own choosing. In the event Indemnitor, within a reasonable time after notice of claim, fails to defend, the Claimant shall have the right to undertake the defense, compromise or settlement of such claim on behalf of and for the account and risk of the Indemnitor, subject to the right of the Indemnitor to assume such defense at any time prior to settlement, compromise or final determination thereof. Notwithstanding the foregoing, in the event either Party reasonably believes that counsel defending any such action has unacceptable conflicts of interest or otherwise lacks the skill to adequately protect such Party's interest, such Party reserves the right to defend itself with its own counsel or retained counsel at the Indemnitor's expense, unless the Claimant is found negligent or otherwise responsible for the occasion of the litigation. Nothing herein shall be interpreted as a waiver by the Town of its rights, including the procedural requirements and limited waiver of immunity, as set forth in Florida Statutes § 768.28, or any other statute, and the Town expressly reserves these rights to the full extent allowed by law.

- S.26 **WARRANTY:** Contractor warrants that the services and materials will conform to the requirements of the Agreement. Additionally, Contractor warrants that all services will be performed in a good, workman-like and professional manner. The City's acceptance of service or materials provided by Contractor will not relieve Contractor from its obligations under this warranty. If any materials or services are of a substandard or unsatisfactory manner as determined by the City, Contractor, at no additional charge to the City, will provide materials or redo such services until in accordance with this Agreement and to the City's reasonable satisfaction.

Unless otherwise agreed, Contractor warrants that materials will be new, unused, of most current manufacture and not discontinued, will be free of defects in materials and workmanship, will be provided in accordance with manufacturer's standard warranty for at least one (1) year unless otherwise specified, and will perform in accordance with manufacturer's published specifications.

- S.27 **THE CITY'S RIGHT TO RECOVER AGAINST THIRD PARTIES:** Contractor will do nothing to prejudice the City's right to recover against third parties for any loss, destruction, or damage to City property, and will at the City's request and expense, furnish to the City reasonable assistance and cooperation, including assistance in the prosecution or defense of suit and the execution of instruments of assignment in favor of the City in obtaining recovery.

- S.28 **NO GUARANTEE OF WORK:** Contractor acknowledges and agrees that it is not entitled to deliver any specific number of materials or services or any materials or services at all under this Agreement and acknowledges and agrees that the materials or services will be requested by the City on an as needed basis at the sole discretion of the City. Any document referencing quantities or performance frequencies represent the City's best estimate of current requirements, but will not bind the city to purchase, accept, or pay for materials or services which exceed its actual needs.

- S.29 **OWNERSHIP:** All deliverables, services, and information provided by Contractor or the City pursuant to this Agreement (whether electronically or manually generated) including without limitation, reports, test plans, and survey results, graphics, and technical tables, originally prepared in the performance of this Agreement, are the property of the City and will not be used or released by Contractor or any other person except with prior written permission by the City.

- S.30 **USE OF NAME:** Contractor will not use the name of the City of Madeira Beach in any advertising or publicity without obtaining the prior written consent of the City.

- S.31 **PROHIBITED ACTS:** Pursuant to Florida Constitution Article II Section 8, a current or former public officer or employee within the last two (2) years shall not represent another organization before the City on any matter for which the officer or employee was directly concerned and personally participated in during their service or employment or over which they had a substantial or material administrative discretion.

- S.32 **RISK OF LOSS:** Contractor agrees to bear all risks of loss, injury, or destruction of goods or equipment incidental to providing these services and such loss, injury, or destruction will not release Contractor from any obligation hereunder.
- S.33 **SAFEGUARDING CITY PROPERTY:** Contractor will be responsible for any damage to City real property or damage or loss of City personal property when such property is the responsibility of or in the custody of Contractor or its employees.
- S.34 **WARRANTY OF RIGHTS:** Contractor warrants it has title to, or the right to allow the City to use, the materials and services being provided and that the City may use same without suit, trouble or hindrance from Contractor or third parties.
- S.35 **PROPRIETARY RIGHTS INDEMNIFICATION:** Without limiting the foregoing, Contractor will without limitation, at its expense defend the City against all claims asserted by any person that anything provided by Contractor infringes a patent, copyright, trade secret or other intellectual property right and must, without limitation, pay the costs, damages and attorneys' fees awarded against the City in any such action, or pay any settlement of such action or claim. Each party agrees to notify the other promptly of any matters to which this provision may apply and to cooperate with each other in connection with such defense or settlement. If a preliminary or final judgment is obtained against the City's use or operation of the items provided by Contractor hereunder or any part thereof by reason of any alleged infringement, Contractor will, at its expense and without limitation, either: (a) modify the item so that it becomes non-infringing; (b) procure for the City the right to continue to use the item; (c) substitute for the infringing item other item(s) having at least equivalent capability; or (d) refund to the City an amount equal to the price paid, less reasonable usage, from the time of installation acceptance through cessation of use, which amount will be calculated on a useful life not less than five (5) years, plus any additional costs the City may incur to acquire substitute supplies or services.
- S.36 **CONTRACT ADMINISTRATION:** The contract will be administered by the Building Department and/or an authorized representative from the using department. All questions regarding the contract will be referred to the administrator for resolution. Supplements may be written to the contract for the addition or deletion of services. Payment will be negotiated and determined by the contract administrator(s).
- S.37 **FORCE MAJEURE:** Failure by either party to perform its duties and obligations will be excused by unforeseeable circumstances beyond its reasonable control, including acts of nature, acts of the public enemy, riots, fire, explosion, legislation, and governmental regulation. The party whose performance is so affected will within five (5) calendar days of the unforeseeable circumstance notify the other party of all pertinent facts and identify the force majeure event. The party whose performance is so affected must also take all reasonable steps, promptly and diligently, to prevent such causes if it is feasible to do so, or to minimize or eliminate the effect thereof. The delivery or performance date will be extended for a period equal to the time lost by reason of delay, plus such additional time as may be reasonably necessary to overcome the effect of the delay, provided however, under no circumstances will delays caused by a force majeure extend beyond one hundred-twenty (120) calendar days from the scheduled delivery or completion date of a task unless agreed upon by the parties.
- S.38 **FUEL CHARGES AND PRICE INCREASES:** No fuel surcharges will be accepted. No price increases will be accepted without proper request by Contractor and response by the City of Madeira Beach.
- S.39 **NOTICES:** All notices to be given pursuant to this Agreement must be delivered to the parties at their respective addresses. Notices may be (i) personally delivered; (ii) sent via certified or registered mail, postage prepaid; (iii) sent via overnight courier; or (iv) sent via facsimile. If provided by personal delivery, receipt will be deemed effective upon delivery. If sent via certified or registered mail, receipt will be deemed effective three (3) calendar days after being deposited in the United States mail. If sent via overnight courier or facsimile, receipt will be deemed effective two (2) calendar days after the sending thereof.
- S.40 **GOVERNING LAW, VENUE:** This Agreement is governed by the laws of the State of Florida. The exclusive venue selected for any proceeding or suit in law or equity arising from or incident to this Agreement will be Pinellas County, Florida.

- S.41 **INTEGRATION CLAUSE:** This Agreement, including all attachments and exhibits hereto, supersede all prior oral or written agreements, if any, between the parties and constitutes the entire agreement between the parties with respect to the work to be performed.
- S.42 **PROVISIONS REQUIRED BY LAW:** Any provision required by law to be in this Agreement is a part of this Agreement as if fully stated in it.
- S.43 **SEVERABILITY:** If any provision of this Agreement is declared void or unenforceable, such provision will be severed from this Agreement, which will otherwise remain in full force and effect. The parties will negotiate diligently in good faith for such amendment(s) of this Agreement as may be necessary to achieve the original intent of this Agreement, notwithstanding such invalidity or unenforceability.
- S.44 **SURVIVING PROVISIONS:** Notwithstanding any completion, termination, or other expiration of this Agreement, all provisions which, by the terms of reasonable interpretation thereof, set forth rights and obligations that extend beyond completion, termination, or other expiration of this Agreement, will survive and remain in full force and effect. Except as specifically provided in this Agreement, completion, termination, or other expiration of this Agreement will not release any party from any liability or obligation arising prior to the date of termination.
- S.45 **PUBLIC ENTITY CRIMES STATEMENT:** A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit a bid on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, sub-contractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.
