

CITY MANAGER

First and foremost, I would like to extend a huge thank you and congratulations to John B. Hendricks who will be retiring as Mayor after three year term. Mayor Hendricks has certainly made an impact on the Madeira Beach community by pushing for beautification within the streets, parks, and of course our beaches working with the Trash Pirates, Trash Turtles, and Keep Pinellas Beautiful. One of the most notable efforts was after Hurricane Ian. Mayor Hendricks organized a food and supply drive for a couple months post hurricane. Not only did he collect items, but he personally drove them down. Thank you Mayor Hendricks for leaving your mark on the City of Madeira Beach, we truly appreciate your service!

I hope you have been enjoying the recent very nice weather by visiting one of our parks or the beach or partaking in some type of outdoor recreational activity whether walking, jogging, bicycling, or perhaps boating, kayaking, or paddleboarding. Certainly, the typical very nice late winter and early spring weather reminds us of our slice of paradise that so many visit and/or call home. The city is extremely thankful for all who reside here who continue to ensure that we provide the highest quality city services making Madeira Beach a truly wonderful place to live, learn, work, and play. We are also thankful for the thousands that visit our city enjoying our vast amenities that also contribute to the eclectic nature of our City. While we continue experiencing more traffic and wait times at our stores and restaurants, I am reminded we can still enjoy our slice of paradise every day walking on our pristine sand, viewing spectacular sunsets and celestial views, or simply enjoying a peaceful fishing or other water excursion. Whatever your hobby or enjoyment, please take some time to enjoy our wonderful city and the many outdoor amenities.

Moon, Venus, and Jupiter

I hope many of you enjoyed our various meetings, activities, and events throughout February including various youth softball tournaments, the return of the annual College Softball Spring Games, Final Friday at the John's Pass bell tower area, City Store Grand Opening/Happy Hour with the City Manager, a beach clean-up, and our Commission meetings. Please continue reading to

learn of March meetings, activities, and events, all listed on the City's website: www.madeirabeachfl.gov.

Please visit our parks to see various improvements including repairs to the ROC Park reflection pond and the installation of new swim markers on the Gulf waters just off John's Pass and Archibald Parks:

Just as we enjoy our 2 Miles Long City, beach/sand, and a Smile Wide of paradise, occasionally, we must endure another natural negative impact (other than tropical storms):

During this health alert:

-  Do not swim near dead fish at this location.
-  If you have chronic respiratory problems, stay away from this location—red tide can affect your breathing.
-  If you are having respiratory problems, leave this location—go into an air-conditioned space for relief.
-  Do not harvest or eat molluscan shellfish from this location.
-  Do not harvest or eat distressed or dead fish from this location.
-  Rinse fillets from healthy fish with tap or bottled water. Throw out guts.
-  Keep pets and livestock away from water, sea foam and dead sea life.

Unfortunately, the end of February also brought us the dreaded *Karenia brevis* algal blooms, the microscopic, single-celled, photosynthetic organism, a marine dinoflagellate, responsible for our 'red tides' common in our Gulf coast. As many are aware, the negative effects include mainly dead fish washing on our shores as well as occasionally other marine life and birds. For us it causes respiratory issues including coughing, wet/runny eyes, sneezing, and a distinct yucky odor (from the dead fish/marine life). On a few days, our Public Works staff recovered a few hundred dead fish/marine life. We will continue to monitor and take all the necessary actions to continue to keep our

sand/beach and waters as clean as possible. Let's hope the Gulf waters move away or better yet, eliminate, the *Karenia brevis* algal blooms very soon.

CITY STORE

On February 23, numerous residents, businesses, and City staff celebrated the grand opening of our City Store, located on the 2nd floor of our City Hall lobby.

Please stop by Mondays through Fridays from 8 am to 4:30 pm, to view and possibly purchase one of the new City of Madeira Beach shirts, hats, photo prints, stickers, and other items. Please help us showcase our unique Madeira Beach identity by wearing or displaying one of the new items.

CITY MANAGER'S REPORT- FEBRUARY 2023

CITY OF MADEIRA BEACH MARINA

We have had quite a mild February and have already seen a big increase in boating activity. The Marina continues to see a lot of traveling boaters escaping the bitter weather in the northern states. Everyone who I speak with from out of town gives our city and the beaches a ton of praise for being so friendly and clean. We receive a healthy amount of revenue from these boaters and travelers so it is good to know that we will have repeat customers next winter.

The Marina staff has completed a lengthy painting project for the ship store building. Painting all the outside walls, patios, staircases, railings, and wood columns. We have received a lot of complements on the clean fresh look of the building and will continue to improve on some landscaping this spring.

The 12th annual Great American Grunt Hunt will be held March 23rd and 25th at the Marina. Anyone can fish this event from your 8-year-old Grandson to your 80-year-old Grandfather. We have received some good sponsorship support from some local businesses this year who I can't thank enough. The Captains Party will be held on Thursday the 23rd starting at 7pm. There will be registration, cocktails, food, raffle, 50-50 and a Q&A; along with an easy-going atmosphere to catch up on fish stories with your friends and family. Saturday the 25th will be the weigh-in and our famous fresh caught fish fry. You don't have to fish to enjoy the festivities centered around the weigh-in and awards ceremony. Competition will be fierce as winners can be decided by less than a once! You can sign up online at

Madeirabeachmarina.com or inside the ship store to get a discount for early registration. We look forward to seeing everyone out for this truly unique event.
