

Memorandum

Meeting Details: January 9, 2023 – Planning Commission Meeting

Prepared For: Planning Commission

From: Andrew Morris, Planner/GIS Technician, Community Development Department

Subject: Ordinance 2023-10 Alcoholic Beverage Permit Application Fee

Background

Ordinance 2023-10 would remove the alcoholic beverage permit application fee value from being mentioned in Article VI (Supplementary District Regulations) of Chapter 110 (Zoning) of the Madeira Beach Code of Ordinances. The Fees & Collection Procedure Manual would be referenced instead of the application fee value. This change allows for the application fee value to be adjusted without needing to directly amend Article VI (Supplementary District Regulations) of Chapter 110 (Zoning) of the Madeira Beach Code of Ordinances.

Fiscal Impact

N/A

Recommendation(s)
