Subject: Proposed FY 2025 Budget Amendment #1

Background

The Charter of the City of Madeira Beach, Article X – *Financial Procedures* allows for amendments to the FY 2024 annual operating budget through the adoption of a Resolution. Resolution No. 2020-20 clarified the guidance from the City’s Charter as it relates to the budget amendment process and established procedures relating to initiation, approval, and processing of requested budget transfers and budget amendments. Article X, Section 10.4 and Section 10.5, of the City’s Charter state that intra-fund transfers and increases to a particular fund are permitted after adoption of the annual operating budget through the adoption of a Resolution. Intra-fund transfers are interpreted to include any needed increases to the overall budget of a department within a fund or a division within a department that is separately reported in the City’s annual adopted budget.

Budget adjustments are needed within the General Fund, Archibald Fund, and Sanitation Fund. The primary reason for these adjustments is certain costs to be incurred in FY 2025 that were not contemplated during the annual budget preparation process, due to the impact of Hurricane Helene and Hurricane Milton in late September 2024, as well as other incomplete information available. The purpose of increasing the budgets for each fund and department and account is described in Exhibit A.

Fiscal Impact

Adoption of this Resolution would result in preparing a budgetary entry only and has no direct fiscal impact to the City.

Recommendation(s)

Staff recommends approval of Resolution 2025-06.
