Meeting Details: December 10, 2025 - Board of Commissioners Regular Meeting

Prepared For: Honorable Mayor Brooks and the Board of Commissioners

From: Community Development Department

Subject: Ordinance 2025-19 C-3, Zoning District Setbacks, 2nd Reading and Public Hearing

Discussion:

The City received a Text and Land Development Regulation Amendment Application requesting a reduction to the front yard and side yard setbacks in the C-3, Retail Commercial Zoning District. The proposed amendment would reduce the front yard setback from 25 feet to 10 feet. Also, the proposed amendment would reduce the side yard setback from 10 feet to 5 feet on lots less than 120 feet wide for multifamily, temporary lodging units, and mixed-use developments. For lots greater than 120 feet, the minimum side yard setback would stay the same, but the requirement of 33 percent of the lot width shall be reserved for side yard setback would be removed. An additional five-feet of setback will still be required along the length of the entire shared lot line between a nonresidential use and a residential use.

This proposed amendment is consistent with the Madeira Beach Comprehensive Plan, Madeira Beach Town Center Special Area Plan, and the proposed Madeira Beach Master Plan. Located below are goals, policies, and objectives that support this proposed amendment.
