1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

The adoption of the Ordinance 2025-20 would make sure that the Madeira Beach Land Development Regulations are in compliance with Senate Bill 954. Senate Bill 954 requires municipalities to establish procedures for the review and approval of certified recovery residences. Ordinance 2025-20 would add procedures for the review and approval of certified recovery residences in the Madeira Beach Land Development Regulations.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City of Madeira Beach, if any:

- (a) An estimate of direct compliance costs that businesses may reasonably incur;
- (b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and
- (c) An estimate of the City of Madeira Beach's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

Existing City Staff would be able to review the certified recovery residences requests. It is not foreseen that there would be a significant additional cost on the city with the adoption of Ordinance 2025-20. Pending the circumstances, there is a possible increase in staff time for review of a permit application associated with this type of project. The proposed ordinance does not have a direct economic impact on private businesses.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

It is not foreseen that Ordinance 2025-20 would have an impact on private businesses.

4. Additional information the governing body deems useful (if any):

Ordinance 2025-20 gives the option for the Community Development Director to administratively approve a certified recovery residences request. If the applicant requests reasonable accommodation from any of the City's land use regulations, the Board of Commissioners would need to make the final determination on the request.
