Good afternoon Lara,
I understand that Jay Hatch is no longer our point of contact regarding the lawn maintenance contract, and I do not have Chris's contact email information.

As we prepare for the final renewal term of our agreement with the City, we respectfully request consideration of a contract price adjustment of an additional $180 per month, bringing our monthly rate to $2,910.00. Since the contract was originally executed, we have experienced substantial increases in labor, fuel, equipment maintenance, and related operating expenses.

A reasonable adjustment would help ensure that we can continue providing the City with the same high standards of service, reliability, and attention to detail that have been the foundation of our partnership.

Please let me know whether this request would be acceptable so that we may proceed with finalizing the renewal through our accounting department.

Thank you for your consideration. We appreciate the opportunity to continue serving the City.

Sincerely,

Diane A Blase, FCHP
