T. DISCUSSION ON THE STORAGE OF GARBAGE TRUCKS

CITY MANAGER

CM Crawford stated that since the Public works building is gone the garbage trucks no longer have covered storage. He and CSD Dave Marsicano have been looking at offsite storage that could be done on a month to month basis, and they found a space in the Bay Pines area that would store them for \$300 a month. He feels that this is important for the development of the Leverocks property, because no one wants to see smelly garbage trucks next to their business. Commissioner Lister asked if it was possible to split the cost with whoever takes over the Leverocks property. CM Crawford is asking for the Boards approval to have CA Trask draw up a lease agreement so that the trucks can be stored off site.

Consensus: Yes
