Profile

After spending 17 years in public accounting and serving as a former audit partner of a large regional accounting firm, Andrew founded Aclarian in 2020, providing outsourcing, consulting, and advisory services with a focus on serving Florida local governments. Aclarian also provides a web-based local government ERP software solution that provides users with a modern, efficient alternative to traditional government accounting systems and eliminates manual, redundant business processes typically found in a local government's legacy technology environment.

Andrew is a frequent speaker at various local and state-wide conferences throughout Florida, primarily affiliated with the Florida Government Finance Officers Association (FGFOA).
