

Memorandum

Meeting Details: January 22, 2025

Prepared For: Mayor & Board of Commissioners

From: Megan Wepfer, Public Works Director

Subject: Johns Pass North Jetty Update

Background

Staff met with U.S. Army Corp staff on December 12, 2024, to discuss permitting needs to replace the sidewalk on the Johns Pass North Jetty. During the meeting Army Corp staff verbally deemed the replacement as exempt as the project is above the mean high tide line (MHTL) and will not change the original state of the jetty (rocks). At the direction of U.S. Army Corp., staff completed a permit application for exemption on December 16, 2024, and submitted via email. Confirmation from U.S. Army Corp stating the project has been assigned to staff on December 31, 2024, and to wait 20 days before reaching out.

A meeting was held on January 9, 2025, with Pinellas County Staff to discuss the replacement of the sidewalk that sits atop the jetty. County staff have asked to see the design plans to make the determination if a permit will be required. Pinellas County staff mentioned that if the sidewalk sits in the same footprint, they do not believe that a permit will be needed but will require the city to sign a sidewalk agreement. This sidewalk agreement will determine that the city will be solely responsible for all maintenance and liability of the sidewalk.

As mentioned in the BOC regular meeting on January 8, 2025, staff has received a quote for a Mobi Mat of 120 ft X 6.5 wide for \$6,205.00. The mobi mat will act as a temporary mobility area for residents and visitors to be able to walk out to the beach area with more ease. This mat will sit just north of the rocks on top of the sand.

Fiscal Impact

The fiscal impact for a Mobi Mat is \$6,205.00. The staff is working with engineering for a design and does not have the sidewalk replacement cost estimate currently.
