This Business Impact Estimate is provided in accordance with section 166.041(4), Florida Statutes. If one or more boxes are checked below, this means the City of Madeira Beach is of the view that a business impact estimate is not required by state law¹ for the proposed ordinance, but the City of Madeira Beach is, nevertheless, providing this Business Impact Estimate as a courtesy and to avoid any procedural issues that could impact the enactment of the proposed ordinance. This Business Impact Estimate may be revised following its initial posting.

In accordance with the provisions of controlling law, even notwithstanding the fact that an exemption noted above may apply, the City of Madeira Beach hereby publishes the following information:

1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

The proposed ordinance would allow for property owners along Gulf Boulevard and within the John's Pass Village Activity Center the option to apply for a temporary parking lot use of their vacant properties. The ordinance includes requirements for the temporary parking lots, penalties for if those requirements are violated, and an expiration date for the temporary parking lots.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City of Madeira Beach, if any:

- (a) An estimate of direct compliance costs that businesses may reasonably incur;
- (b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and
- (c) An estimate of the City of Madeira Beach's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

This proposed ordinance would not have a negative financial impact on private businesses and property owners since it is optional. This ordinance would allow for a parking lot temporary use that currently is not permitted in the code. The temporary parking lot use could potentially generate revenue for property owners.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

The proposed ordinance would not have a negative impact on any businesses in the C-3, C-4, PD, and C-1 Zoning Districts. The proposed parking lot temporary use is an optional use for property owners to apply for.

4. Additional information the governing body deems useful (if any):

The temporary parking lot uses would expire on December 31, 2029. Making temporary parking a permanent option for property owners would not align with the Development and Redevelopment Vision and Economic and Business Development Vision from the adopted Madeira Beach Master Plan.
