[You may wish to include in this section the methodology or data used to prepare the Business Impact Estimate. For example: City of Madeira Beach staff solicited comments from businesses in the City of Madeira Beach as to the potential impact of the proposed ordinance by contacting the chamber of commerce, social media posting, direct mail or direct email, posting on the City of Madeira Beach's website, public workshop, etc. You may also wish to include efforts made to reduce the potential fiscal impact on businesses. Based on criteria allowing flexibility in Section 110-387 and the provisions in the City Code for Planned Developments, Staff recommends approval based on the design features, the items the developer is providing and the flexibility allowed by the land development regulations the City supports the PD flexibility requests.
