This ordinance would create a new zoning district to allow for nightly rentals in areas currently with the Residential Medium Future Land Use Category.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City of Madeira Beach, if any:
 (a) An estimate of direct compliance costs that businesses may reasonably incur;
 (b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and
 (c) An estimate of the City of Madeira Beach's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

City staff are concerned that this will lead to spot zoning in areas that are primarily residential.
