PART B:

SCOPE OF SERVICES:

The City of Madeira Beach is requesting proposals from qualified and professional fireworks production companies for the purposes of providing a Fireworks display for the following dates:

March 17th, 2023
May 6th, 2023
July 3rd, 2023
November 11th, 2023

The display shall be fired electronically and the supply, delivery, set-up, firing, breakdown and disposal shall not exceed the budget of \$40,000.

Selected proposal shall be effective immediately upon approval and signature of contract for the 2023 display date with the option for two (2), one (1) year renewals.

Proposers are requested to provide proposals offering the City maximum variety in color, shell size, length and over all effect to **maximize value within the budget**. Length and variety of fireworks display will be considered on the Proposed Cost Schedule.

Indemnification: Due to the inherent dangers in major fireworks displays, the winning Proposer must, and by accepting the work agrees to, indemnify and hold harmless the City, its officers, and employees, from liabilities, damages, losses and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Proposer and persons employed or utilized by the Proposer in the performance of the contract.

Such Proposer indemnification shall not be limited to the amount of comprehensive general liability insurance which it otherwise carries for the event. Nothing contained herein is intended nor shall it be construed to waive the City's rights and immunities under the common law or Florida Statutes § 768.28, as amended. This obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party described in this section.

Proposer shall pay all claims, losses, liens, settlements or judgments of any nature whatsoever, excluding only those in which the damages arose out of the sole negligence of the City or a third party, in connection with the foregoing indemnifications, including, but not limited to, reasonable attorney's fees and costs to defend all claims or suits in the name of the City when applicable.

Pyrotechnic Effect Definitions

Brocade – A spider like effect in the sky, much like fine lace. The brocade effect is generally a golden tail effect, and is brighter than the willow or tiger tail effect. Most brocade effects use glitter to produce the long brocade tails.

Chrysanthemum – A flower-like aerial pattern, usually resulting from a cake or mortar.

Comet – A type of star that leaves a long trail of sparks as it flies through the air.

Crossette – A type of comet that breaks into multiple comets, usually forming a cross shape.

Pearls – Bright balls of color that fly through the sky and burn themselves out after reaching maximum height.

Dragon Eggs – A delayed crackle effect displayed in egg-shaped patterns with loud crackle near the end.

Waterfall – Glowing embers that fall slowly in the air, creating a willow or waterfall effect.

Flying Fish – An aerial effect that looks like a swarm of objects squirming through the air. This effect usually lasts only a few seconds. Fish are a type of fuse that propels itself through the air, creating a swimming effect.

Palm Tree – An aerial effect that produces a gold or silver stem as the shell rises into the sky (known as a rising tail), followed by a brocade or willow effect that creates palm fronds. It resembles a gold or silver palm tree in the sky.

Peony – An aerial effect that looks like a spherical ball of colored lights in the sky. A very common aerial effect on most fireworks displays.

Ghost - An aerial effect that creates a disappearing and re-appearing color trail new to the fireworks industry.

Rising Tail – A rising tail is a gold or silver tail effect that is created when a shell is shot into the sky, similar to the trunk of a tree. Commonly used with palm tree shells.

Strobe – A strobe is a blinking effect. When used in a shell with hundreds of strobe stars, the strobe effect looks like shimmering water in the sky. Strobes can be a variety of colors, including white, green, blue, and orange.

Tourbillion – Another name for a serpent. A tourbillion is a type of star that spins in the sky and gives off large quantities of gold, silver, or white light.

Willow – An aerial effect that looks like a giant gold willow tree in the sky. A true willow effect has delicate golden trails that hang in the sky ten seconds or more.

Pattern - An aerial effect including but not limited to Smiles, Hearts, Squares, Diamonds, Stars, 3D Cubes always a crowd pleaser

About Angry Unicorn Displays:

Angry Unicorn Displays was established in 2018 and is a sister company of Explosive Touch Enterprises. It is branded to coincide with ETE's Import Company Angry Unicorn Imports and evolved from the experience of a decade old fireworks company that originated in the Theme Park Entertainment Capital of the World, Orlando, FL.

Angry Unicorn Displays will be your direct source of fireworks and special effect entertainment especially with our sister company Angry Unicorn Imports supplying all of our High Quality Fireworks.

We have experience with all types of events which range from small backyard type displays to Major Professional Aerial Productions. To achieve success with all of our events, we use state of the art digital electronic firing systems and design software that gives us the availability to produce world class displays using the most brilliant and unique effects the industry has to offer. From large sky filling displays, to concise choreographed pyro-musicals... we can do it all!

In closing, Angry Unicorn Displays offers our (AIS) All-Inclusive solution in producing the fireworks and special effects elements of your show or event. All of our events include site inspections, display permits, Coast Guard permits (if necessary), FAA clearance (if necessary) \$1,000,000.00 in General and \$5M Auto Liability Insurance, Fire Marshal Fire Watch fees, Fire Truck Standby Fee (If Required), all travel costs, professional and trained pyrotechnics crew, and of course cleanup.

Our Team and Crews

The leadership at Angry Unicorn Displays has over 50 combined years of experience working with fireworks and special effects for some of the largest entertainment companies and venues in the world. We ensure that our technicians are educated annually on all applicable safety standards including new ATF regulations, NFPA Codes, DOT standards and more, ensuring that your show will meet and exceed all safety standards.

EJ Weppel - CEO and President

EJ is the founder of Angry Unicorn Displays. He began his career working for a major theme park in Orlando, FL. When he left there, he continued his path to pyrotechnic greatness working with a large competing company. From there, he decided to branch out on his own and Angry Unicorn Displays was born.

Pyrotechnic Crew

Angry Unicorn Displays has a vast pool of pyrotechnicians that work with us on a regular basis. Senior Shooters have been with the company since the beginning and have been trained and certified each year. Most of them have other full-time jobs for some of the biggest names in the Entertainment Industry and shoot their shows regularly. All our show site assistants are 100% trained in the company policies of safe handling of materials and under the direction of the onsite shooter. Assistants have a wide range of skill sets and most are working toward being full fledged pyrotechnic shooters within the company.
