COURTESY NOTICE OF CODE VIOLATION

To whom it may concern:

During a recent review of properties, it was noted that your property is in violation of the following code/ordinance(s):

Ordinance(s):

Sec. 86-52. – When required.

A person, firm or corporation shall not construct, enlarge, alter, repair, move, demolish, or change the occupancy of a building or structure, or erect, or construct a sign, or install or alter fire extinguishing apparatus, elevators, engines, steam boiler, furnace, incinerator, or other heat producing apparatus, plumbing, mechanical or electrical equipment or any appurtenances, the installation of which is regulated by the land development regulations or other sections of the Code until a permit has been issued by the building official. When the cost of repair or modification does not exceed \$500.00, does not result in a structural change, and does not require an inspection, a permit need not be issued by the building official. No permit is required for uncovering flat slabs of no greater than 50 square feet, for work of strictly cosmetic nature (painting, wallpapering, carpeting, kitchen cabinets, etc.) or roof work less than \$100.00 in value.

Therefore, if the action(s) specified in this notice is not completed by 8:00 am of the re-inspection date listed, the City will take legal action concerning this violation(s). This action may include the issuance of a citation and imposition of a fine of up to five hundred dollars (\$500) per day. The City may also take the required action itself and lien the above property for all costs associated therewith, including an administrative fee of one hundred dollars (\$100).

Violation Detail(s):

Decking on property without required building permit(s).

Corrective Action(s):

Either the property owner and/or licensed contractor will need to apply for and obtain an “after-the-fact” building permit to comply. If a permit cannot be obtained, the structure/ changes must be removed.
