EXECUTIVE SUMMARY:

With the construction of the eight pickleball courts at Rosie's Park the SMPA is interested in entering into a court use agreement with the City. Specifically, the SMPA has awarded the City \$16,200 to cover construction add-ons, will provide wind screens, assist the city in creating rules and signage, split the cost of future surface maintenance, provide programming upto 20% of the available court time including lessons, leagues, mixers, and tournaments. Profits from this programming will be split with 30% going to the City per our normal recreation agreements.

RECOMMENDATION:

Staff recommends that City Council approve the contract with the Southeastern Michigan Pickleball Association for Pickleball Court usage.
