

The Arts Board is interested in hosting a Folklorico performance at the Civic Center Bandshell next September, specifically by Ballet Folklorico de Detroit. Since this performance is a blend of art and cultural elements, could you see if the HREC would be interested in splitting the cost and sponsoring the event together? I'm not sure what the cost would be yet (still crunching some numbers) but I imagine there is potential for sponsorship from one of our wonderful Latine organizations in the City if we needed a financial boost. Ideally, this would be toward the middle of September to celebrate Hispanic Heritage Month.
