
Sec. 10.502[A]. Regulated uses.

1. *Purpose of Ordinance.* In the development and execution of the amendment to this Ordinance, it is recognized that certain uses as a result of their nature have serious objectionable operational characteristics, particularly when several of them are concentrated under certain circumstances having a deleterious effect upon the use and enjoyment of adjacent areas. Special regulation of these uses is necessary to assure that these adverse effects will not contribute to the blighting or downgrading of the surrounding neighborhood. In connection with the adoption of this Ordinance, the planning commission and city council has received information from the community development department, the city assessor, and the police department, including information associating blight and increased crime with sexually-oriented businesses, including studies done in a number of cities. In connection with the adoption of this Ordinance, council has received further information that certain types of adult businesses, including tattoo parlors, pawnbrokers, and used goods businesses have, through studies, been found to have deleterious effect upon the use and enjoyment of adjacent areas, including information associating blight.

The regulations in this Ordinance are designed for locating these uses in areas where the adverse impact of their operation may be minimized by the separation of such uses from one another and from places of public congregation.
