MHHP Q3 Quarterly Report

CED Director Tucker noted that MHHP Chamber Executive Director Linda Williams was unable to attend due to a conflict with a scheduled Chamber meeting. He highlighted her submitted quarterly report, including workforce development meetings, assisting with the Downtown Touchdown event, Small Business Saturday Series and promotional videos.

Discussion was held on the possibility of re-evaluating whether the DDA should continue the contract with the MHHP Chamber at the current funding level and measuring the DDA's return on their investment. Staff will report back to the board with a list of possible achievables to focus tasks that are desired by the DDA and will give the board the ability to have measurables.
