The annual Madison Heights hometown Arts & LGBTQ Pride Festival welcomes families with open arms, offering a cozy atmosphere filled with vibrant colors and creativity.

Local artists showcase their talents through diverse exhibits, fostering a sense of community and acceptance. Rainbow flags flutter alongside whimsical decorations, creating a joyful ambiance where everyone feels celebrated and embraced.

From music to interactive workshops, there's something for every age and interest, making it a cherished event for both locals and visitors alike.

Face painting, caricatures, custom pride buttons, music and more!

Bring a white t-shirt, bag, bandana, etc, for a special art activity that anyone can do! Natural fibers like cotton or linen work best.
