If MTech's trade-in offer is accepted, customer must turn their old equipment over to MTech in complete working condition upon delivery of their new truck. All repairs must be completed and any wear and tear items must also be repaired or replaced at customer's expense prior to turning equipment into MTech. MTech reserves the right to perform an on-site inspection of the equipment being traded in prior to delivery and may deduct the cost of any outstanding repairs needed from the trade-in value owed to the customer at our sole discretion.
