To the zoning board of appeals,

My name is David McLennan. I am the owner of 101 E. Harwood Madison Heights. My home is a licensed rental home with the city has been for the past 14 years. The home at 91 E. Harwood has a driveway that runs alongside my driveway with a 4 foot grass strip between it. For many years residents at 91 E. Harwood have had to drive over the grass strip and into my driveway to get around a vehicle parked behind them in their driveway . As you can imagine this damages the grass and is difficult in the winter when snow piles up between the driveways. The driveway addition in front of the residential dwelling will not take away from the appearance of the house.

I fully support the addition of the driveway in front of the residential dwelling at 91 E. Harwood this will relieve many issues for myself and my tenant as well as issues at 91 E. Harwood.

Sincerely,

David McLennan
