

## **REIMBURSEMENT AGREEMENT**

This Reimbursement Agreement (“Agreement”) is made and entered into as of \_\_\_\_\_, 2026 by and between **28220 John R, LLC**, a Michigan limited liability company (hereinafter referred to as the “Owner”), whose address is 2425 E. 12 Mile Road, Suite B, Warren, Michigan 48092 and the **City of Madison Heights Brownfield Redevelopment Authority**, a Michigan municipal corporation (hereinafter referred to as the “BRA”), whose address is 300 West Thirteen Mile Rd., Madison Heights, MI 48071.

### RECITALS:

Owner owns a parcel of land situated in the City of Madison Heights, Oakland County, Michigan (the “City”), as more particularly described on the attached Exhibit A and, together with improvements, and personal property, located and to be located thereon, is hereinafter referred to as the “Subject Property,” that qualifies as an Eligible Property under Section 2 of the Brownfield Redevelopment Financing Act, 1996 PA 381, as amended (“Act 381”).

The BRA was created by the City under Act 381, to promote the revitalization of environmentally distressed areas through the implementation of Brownfield plans for certain eligible property under Act 381.

To induce and facilitate the proposed redevelopment of the Subject Property (the “Project”), on \_\_\_\_\_, 2026 the BRA adopted, and on \_\_\_\_\_, 2026 (the “**Plan Effective Date**”) the Madison Heights City Council approved, a Brownfield Plan (the “Plan” or “Brownfield Plan”) attached hereto as Exhibit B, for the Subject Property, under which the Owner may receive, subject to this Agreement, the benefit of reimbursement from Tax Increment Revenues for the cost of Eligible Activities undertaken by the Owner on the Subject Property.

The BRA and the Owner desire to establish the terms and conditions upon which the BRA shall utilize Tax Increment Revenues captured pursuant to the Plan to reimburse the Owner for the costs of Eligible Activities undertaken by the Owner.

### **NOW, THEREFORE, IT IS AGREED AS FOLLOWS:**

1. Definitions. Capitalized terms shall have those definitions provided under Act 381 unless otherwise provided by this Agreement or unless inconsistent with the context in which the term is used. However, notwithstanding the definitions provided under Act 381, for purposes of this Agreement, Tax Increment Revenues shall only mean and include such Tax Increment Revenues generated from the sources specified in Section 3 hereof.

2. The Plan. The approved Brownfield Plan, attached hereto as Appendix B, is fully incorporated herein and made a part of this Agreement. To the extent that any provisions of the Brownfield Plan conflict with this Agreement, the terms, and conditions of this Agreement control. To the extent any provisions of the Brownfield Plan, or this Agreement conflict with Act 381, then Act 381 shall control.

3. Sources and Uses of Tax Increment Revenues.

(a) The following Tax Increment Revenues attributable to the levies of ad valorem taxes and Specific Taxes upon the Subject Property that are eligible for capture by the BRA under Act 381 will comprise the sources of Tax Increment Revenues available to the BRA for purposes of the Plan and to make the reimbursement payments required under this Agreement.

- (i) All local and operating millages, with the exception of the Detroit Institute of Arts ("DIA") and Detroit Zoo Operating Millages, any Debt Millages and School Operating and Debt Millages; and
- (ii) Levies of the Oakland Intermediate School District.

(b) The BRA shall not be required by this Agreement to use Tax Increment Revenues attributable to the levies by the State of Michigan of the State Education Tax or by the Madison School District. However, this Agreement shall not prohibit BRA, in its sole discretion, from capturing or using Tax Increment Revenues attributable to the Subject Property for any purpose authorized by Act 381.

#### 4. Determination of Eligible Activities Qualified for Reimbursement.

(a) All costs of Eligible Activities attributable to the Subject Property for which the Owner seeks reimbursement from Tax Increment Revenues shall satisfy each of the following applicable qualifications:

- (i) The Eligible Activity and the cost of the Eligible Activity is included in the Brownfield Plan, or any amendment or supplement thereto approved by the BRA or its designee, and the Eligible Activity is conducted in accordance with the Brownfield Plan, this Agreement, Act 381, and all applicable local, State, and federal laws and regulations.
- (ii) The Eligible Activity has not occurred greater than twelve months before the Plan Effective Date, except for the Work Plan Exempt Activities noted in the Brownfield Plan, unless expressly approved by City Council as an element of the Brownfield Plan.

(b) Owner understands and agrees that any reimbursement by or on behalf of the BRA of any expenses for approved activities shall be only for "Eligible Activities" as defined in Act 381 and the Brownfield Plan or for which reimbursement is authorized under this Agreement. It is further understood and agreed that any reimbursement to or on behalf of Owner shall only occur to the extent that Tax Increment Revenues are generated from the Subject Property and those Tax Increment Revenues or other revenue is available under Act 381 and this Agreement for the making of reimbursements to the Owner.

#### 5. BRA Reimbursement Payments to Owner.

(a) From time to time, but not more frequently than quarterly without approval of the BRA, Owner may submit to the BRA prior to completion of Eligible Activities a certification of costs of Eligible Activities paid or incurred for which reimbursement is sought in accordance

with this Agreement and the Brownfield Plan. Such certification shall include a narrative of the approved activities performed showing that such activities qualify for reimbursement under this Agreement, a representation and warranty of the Owner that all activities for which reimbursement is sought qualify as Eligible Activities under Act 381 and this Agreement, copies of all documents or reports for whose preparation payment is requested, a copy of invoices for the work described in such certification, and any substantiating documentation for such invoices that is reasonably requested by the BRA.

(b) Within thirty (45) days of its receipt of such certification and supporting invoices, the BRA shall complete its review of the submission to confirm that such activities qualify for reimbursement under this Agreement and the Brownfield Plan and advise Owner in writing (“Written Determination”) of its confirmation, or if any activities do not so qualify, the specific reasons why the BRA believes that such activities do not so qualify.

(c) To the extent that such submission is approved, the BRA shall cause Owner to be paid the amounts approved within forty-five (45) days after the date of submission of the statement by Owner, but only to the extent that Tax Increment Revenues attributable to the Subject Property are available. If sufficient Tax Increment Revenues attributable to the Subject Property are not available at the time a submission for costs of Eligible Activities is approved and payment is due, the approved amount shall be paid from Tax Increment Revenues attributable to the Subject Property that are next received by the BRA.

(d) To the extent that any portion of such submission is not approved within the forty-five (45) day review period, an authorized representative of the BRA and Owner shall, upon the written request of either party within fourteen (14) days after receipt of the Written Determination, meet promptly to discuss the reasons the submission (or any portion thereof) was not approved and the conditions pursuant to which Owner can obtain approval of such disallowed request and Owner and BRA agree to work cooperatively and diligently to resolve and or comply with any such conditions.

(e) The Owner shall notify the BRA of the completion of Eligible Activities for which reimbursement may be sought under this Agreement. The Owner shall provide the BRA with a final certification of costs of Eligible Activities after the date of completion of the Eligible Activities for which reimbursement is sought under this Agreement. The Owner shall receive progress payments under paragraph 5(c) for costs incurred for Eligible Activities prior to final certification.

(f) No interest or other similar charge shall accrue or attach to any reimbursement payment agreed to by BRA under this Agreement.

(g) Anything in this Agreement to the contrary notwithstanding, the Owner and its affiliates shall comply with all applicable laws, ordinances or other regulations imposed by the City or any other properly constituted governmental authority with respect to the Subject Property and shall use the Subject Property in accordance with the Plan for the term of this Agreement; and if the Owner shall fail to do so, the BRA may, in its sole discretion, withhold reimbursement payments under this Agreement for as long as such violation persists.

(h) The BRA shall not be required to capture Tax Increment Revenues to be used

to reimburse the Owner pursuant to this Agreement with respect to any Tax Increment Revenues after the 30<sup>th</sup> year of the Brownfield Plan. The BRA or the City shall not be responsible for reimbursing any costs of Eligible Activities if Tax Increment Revenues throughout the duration of the Plan are insufficient to cover said costs. The BRA will reimburse the Owner for Eligible Activities for a not-to-exceed amount of Nine Hundred Eighty-Seven Thousand, Four Hundred Fifty Dollars (\$987,450).

6. BRA Review Fees. All legal or other consulting fees related to the BRA review of the Plan and this Agreement shall be payable from Tax Increment Revenues in the first year for which Tax Increment Revenues are available for capture. The BRA shall collect Two Thousand Five Hundred Dollars (\$2,500) annually from the Tax Increment Revenues throughout the duration of the Plan as an administrative fee to cover ongoing expenses associated with managing the Plan.

7. Indemnification.

(a) Owner indemnifies and holds harmless BRA, and any and all of its past, present and future members, officials, employees, representatives, attorneys, agents and consultants, from any and all losses, demands, claims, actions, causes of action, assessments, suits, judgments, damages, liabilities, penalties, costs and expenses (including without limitation the fees and expenses of attorneys and other consultants) which are asserted against, or are imposed upon or incurred by BRA or an above listed person and which are resulting from, relating to, or arising out of any of the following:

- (i) Any order of the State, any agency thereof, or a court of competent jurisdiction, under the process described in Paragraph 7(a)(vi) below, requiring that the State of Michigan or any other taxing jurisdiction be repaid or refunded any levy captured as Tax Increment Revenues and paid to Owner as a reimbursement payment under this Agreement made in excess of the amount of Tax Increment Revenues the BRA is determined by the State, any agency thereof, or a court to be allowed by law to use for such reimbursement.
- (ii) Any act or omission of the Owner, after taking title to the Subject Property, with respect to the conduct of a baseline environmental assessment, due care activity or additional response or remedial activity for the Subject Property, including any failure by the Owner to take any affirmative action required by law to prevent the release of a hazardous substance or any other contaminant or the exacerbation of an existing environmental condition.
- (iii) Any release of a hazardous substance or any other contaminant on the Subject Property or an exacerbation of an existing environmental condition, any adverse effects on the environment, or any violation of any State or federal environmental law or regulation caused or due to an act or omission by the Owner, except if caused by an act or omission of the BRA or City or any of its past, present and future members, officers, employees, representatives, agents and consultants.
- (iv) The Eligible Activities for the Subject Property.

- (v) The operation of the business of the Owner on the Subject Property.
- (vi) In the event any person challenges or otherwise asserts that the State of Michigan or any other taxing jurisdiction must be repaid or refunded any levy captured as Tax Increment Revenues and paid to Owner as a reimbursement payment under this Agreement, the BRA shall provide written notice of such challenge or assertion and provide the Owner with the opportunity to defend such challenge or assertion and Owner shall not be required to repay or reimburse any such funds until a court order addressing such issue has been issued and no right of appeal remains.

(b) The BRA may, at its discretion and without the consent of the Owner, set off any amount owing to the Owner under this Agreement to satisfy any indemnification obligation of the Owner under this Section 7.

(c) The Owner and/or General Contractor shall maintain general liability insurance in amounts not less than \$2,000,000 per occurrence and \$2,000,000 in aggregate, which coverage requirements may be satisfied by an umbrella policy. At the time the Owner executes this Agreement, the Owner shall provide the BRA with a certificate evidencing such insurance and that the Owner has workers' compensation insurance, if statutorily required. The liability policies shall name the City and the BRA and their officers, employees, and agents as additional insured. All policies, as specified herein shall be provided by insurers qualified to write the respective insurance in the State of Michigan, be in such form and include such provisions as are generally considered standard provisions for the type of insurance involved, prohibit cancellation or substantial modification without at least thirty (30) days written notice to the BRA or its authorized agent. Any loss or damage against which the BRA is indemnified under Section 7(a) above that is recovered by such insurance shall offset the liability of the Owner to BRA under this Agreement.

(d) Anything contained in this Agreement to the contrary notwithstanding all indemnity obligations under this Section 7 shall expire and be completely extinguished one (1) year after the date of the final reimbursement of approved Eligible Activities, except with respect to any bona fide claim which is asserted, and with respect to which an action against Owner is commenced in the Circuit Court of Oakland County, Michigan (and the summons and complaint relating to such action is received by Owner) on or before such expiration date.

8. Loss of Revenue from a Taxing Jurisdiction. It is understood that the Brownfield Plan, as approved, is intended to capture Tax Increment Revenues from several taxing jurisdictions. In the event that a taxing jurisdiction, or any other party, challenges the capture of any tax revenues and the State, an agency thereof, or a court of competent jurisdiction issues an order preventing the capture and use of those revenues and requiring the refund or repayment of any captured Tax Increment Revenue previously paid to Owner pursuant to this Agreement, the Owner agrees to repay to the BRA the captured Tax Increment Revenues previously paid to Owner pursuant to this Agreement.

9. Property Tax Appeal The Owner shall have full rights to appeal property tax assessments under State law. The Owner agrees that any such appeal shall apply only to the current tax year in which the appeal is made, and the Owner expressly waives any right to reimbursement for previous year's taxes. The Owner also expressly acknowledges any tax appeal may impact the Authority's ability to reimburse the Owner's Eligible Activities or other obligations under this

Agreement, and expressly waives any claim against the Authority for reduced reimbursements that result from any tax appeal filed by the Owner.

10. Effective Date. This Agreement shall take effect upon its execution by the BRA and City.

11. Owner Obligations, Representations and Warranties; Termination and Enforcement.

(a) Owner represents and warrants the following:

(i) With respect to the Subject Property, Owner is not a party liable under section 20126 of the Natural Resources and Environmental Protection Act, 1994 PA 451, MCL 324.20126.

(ii) The Subject Property qualifies as Eligible Property under Act 381.

(b) The BRA may terminate this Agreement should Owner: (1) fail to fulfill in a timely and proper manner any of its obligations under paragraphs 5(e) and 5(g); or (2) violate a representation or warranty in paragraph 11(a); provided that before such termination the BRA shall deliver to the Owner a written notice of termination specifically describing the breach causing issuance of the notice of termination, and the Owner shall have thirty (30) days after delivery of the notice to cure such breach; provided, however, if such default is not reasonably capable of being cured within the thirty (30) day period, Owner shall have such period of time as is reasonably necessary to cure the default as long as Owner diligently commences to cure the default within the thirty (30) period and thereafter diligently pursues the cure to completion, but in no event shall said cure period exceed ninety (90) days (unless BRA extends the same in writing). If Owner fails to cure, within the time periods described herein, the termination shall be effective the day after the cure period lapses. If the Owner cures within the time allowed (as may be extended), then this Agreement shall not be terminated for the breach.

(c) Upon the effective date of the termination of this Agreement, the BRA shall have no further obligation under this Agreement to make any payments to Owner in reimbursement of any costs of Eligible Activities incurred or to be incurred by the Owner.

(d) In lieu of termination, the BRA may seek to enforce and compel performance with the terms of this Agreement in a court of competent jurisdiction by specific performance or mandatory injunction and may pursue any other remedy that may be available to it at law or equity.

(e) Agreements Not to Contest:

(i) The Owner agrees not to contest the terms and conditions of this Agreement.

(ii) The Owner acknowledges that the City may program and incorporate in its Capital Improvement Plan, reconstruction of the roadways adjacent to the Owner's property. If this does occur, the Owner agrees not to oppose any

lawful Special Assessment imposed against the real property of the Owner as deemed necessary by the City in its sole discretion for reconstruction of said roadways.

- (iii) Owner may contest invoiced costs under this Agreement if it believes the cost documentation contains clerical, mathematical, or accounting errors.

In the event any real, personal, or special property tax dispute concerning properties owned, leased, or controlled by the Owner, the Owner shall make a bona fide effort to resolve such dispute with the City Administration before filing suit in the Michigan Tax Tribunal. Any outside consulting firms hired by owner shall be at the Owner's sole expense.

12. Designation of Alternate Recipients; Assignment of Rights.

(a) This Agreement shall be binding upon and inure to the benefit of Owner and the BRA, and their respective heirs, successors, assigns and transferees. Except as set forth herein, Owner may assign, convey, or transfer this Agreement in whole or in part only with the prior written consent of the BRA, which shall not be unreasonably delayed or conditioned; provided, however, that no assignment may be made to a person responsible for an activity causing a release under Section 20126 of the Natural Resources and Environmental Protection Act ("NREPA"), 1994 PA 451, MCL 324.20126; and, provided further, that a change in ownership arising out of a foreclosure, delivery of a deed in lieu of foreclosure or other loan or bond default is presumptively approved (and may be conditionally approved in advance as required to effectuate a financing transaction), if the person to which this Agreement will be assigned or transferred is not prohibited from receiving assistance from the BRA under applicable law.

(b) Any prohibited assignment shall be absolutely void. In the event of any assignment or transfer of any right or obligation hereunder approved by the BRA, such assignment or transfer shall be subject to all provisions under this Agreement and BRA's consent to Owner's assignment; provided, however, BRA consent shall not act as a release of the owners obligations hereunder as to assigned portion of the Agreement, if assignee or transferee defaults under this agreement

- (c) In connection with issuance of bonds or making of loans, the Parties may:

- (i) assign such rights under this Agreement to the trustee of the bonds or lender under the loans, as security for the bonds or loans, as the bond issuer or lender requests in connection with issuance of the bonds or making of the loans;
- (ii) designate the trustee, lender or other third party as agent to complete one or more obligations of Owner under this Agreement; provided, however, that any such designation in no way relieves Owner of its obligations under this Agreement; and
- (iii) assign, pledge, and otherwise provide for the irrevocable transfer of Tax Increment Revenues constituting pledged revenues under the bond documents to the trustee or lender under the loan documents, as security for the bonds or loan, as the issuer requests in connection with issuance of the bonds or the lender requests in connection with making of the loans.

(d) Any assignment, pledge, or transfer made pursuant to this Section 12 shall automatically terminate only when all amounts and sums due to the trustee under the Indenture for the bonds or lender in the case of a loan are paid in full, the bonds or loan are no longer outstanding, and the bond indenture or mortgage is fully released and discharged, with Owner providing the BRA written notice of any such termination.

(e) Upon receipt of written notice from the applicable trustee or lender directing the Parties to pay Tax Capture Revenues to the trustee or lender or its designee, the Parties shall thereafter comply with such direction in accordance with the bond documents or loan documents, as applicable, shall be deemed to have consented to such direction, and such payment to or at the direction of the trustee or lender shall constitute satisfaction of payment obligations hereunder. Notwithstanding anything to the contrary herein, the BRA shall have the right to reasonably approve any form of consent evidencing the assignment of Tax Increment Revenues as security, which approval shall not be unreasonably conditioned, delayed, or withheld.

13. Miscellaneous.

(a) This Agreement shall not be affected or altered in any way by any sale, lease, or other disposition or sale of all or a portion of the Subject Property.

(b) This Agreement shall be interpreted and construed in accordance with Michigan law and shall be subject to interpretation and enforcement only in Michigan courts whether federal or state.

(c) This Agreement may be signed in counterparts.

(d) In no event shall the provisions of this Agreement be deemed to inure to the benefit of or be enforceable by any third party.

(e) Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same time or different times, of any other rights or remedies for the same default or any other default by any other party.

(f) This Agreement constitutes the entire agreement of the parties and integrates all the terms and conditions mentioned herein or incidental hereto and supersedes all negotiations or previous agreements between the parties with respect to all or any part of the subject matter hereof.

(g) A party may waive any default, condition, promise, obligation, or requirement applicable to any other party hereunder, provided that any such waiver shall apply only to the extent expressly given and shall not be deemed or construed to waive any such or other default, condition, promise, obligation, or requirement in any past or future instance. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate officers of the waiving party, and all amendments hereto must be in writing and signed by the appropriate officers of all the parties.

(h) The Owner, its contractors and its subcontractors, and their collective successors and assigns, and every successor in interest to the Property or any part thereof, shall not discriminate upon the basis of race, color, religion, sex, sexual orientation, gender identity, or national origin in regard to its employees, apprentices, interns, independent contractors, or equivalent (collectively “employees”), whether seasonal, permanent or at-will, whether on fixed contracts or no contracts, or in regard to the leasing or rental of the Property or in the use or occupancy of the Property or any improvements to be erected thereon, or any part thereof.

(i) If any one or more provisions of this Agreement, or in any instrument or other document delivered pursuant to this Agreement, or the application thereof to any person or circumstance is, to any extent, declared or determined to be invalid or unenforceable, the validity, legality, and enforceability of the remainder of this Agreement, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, will not be affected or impaired thereby, and each provision of this Agreement is valid and enforceable to the fullest extent of the law

(j) It is acknowledged that each party to this Agreement had the opportunity to be represented by counsel in the preparation of this Agreement and, accordingly, the rule that a contract shall be interpreted strictly against the party preparing same shall not apply due to the joint contribution of both parties.

(k) In the event of any conflict or inconsistency between the terms of this Agreement and the terms of any other agreement, document or understanding of the parties, this Agreement shall control. For purposes of this Agreement, Force Majeure Event shall mean any event that is due to unforeseeable causes beyond the control and without the fault or negligence of the party seeking the benefit of the provisions of this Section, including but not limited to, civil unrest, war, terrorist strike, national emergency, fire, flood, disease/pandemic, acts of God, material shortage, governmental order or industry wide strike and which despite the exercise of due diligence and timely actions renders it impossible for such party to begin or complete its obligations under this Agreement in compliance with the Plan. In the event of the occurrence of a Force Majeure Event, the time limitations imposed by this Agreement shall be tolled for the duration of the Force Majeure Event, provided that the party seeking the benefit of the provisions of this Section shall exercise due diligence and, within sixty (60) days after the beginning of such Force Majeure Event, have first notified the other party in writing of the causes thereof and claimed an extension for the period of enforced delay and upon the conclusion of a Force Majeure Event the applicable party shall use its best efforts to complete the required action item as soon as practicably possible within the original relevant timeframe.

(l) All notices, certificates or communications required by this Agreement to be given shall be sufficiently given and shall be deemed delivered when personally served or sent by facsimile (promptly confirmed in writing) or when mailed by express courier or registered or certified mail, postage prepaid, return receipt requested, addressed to the respective parties at the addresses listed below:
