

2026 SUMMER MAINTENANCE AGREEMENT  
CITY OF MADISON HEIGHTS

Under 1951 PA 51, As Amended

This Summer Maintenance Agreement (“Agreement”) is made this \_\_\_\_ day of \_\_\_\_\_, 2026, between the Board of County Road Commissioners of the County of Oakland, State of Michigan, a public body corporate, (hereinafter variously referred to as the “Board and as the “Road Commission for Oakland County”) and the **City of Madison Heights**, Oakland County Michigan, a Michigan municipal corporation hereinafter referred to as the “City.”

WHEREAS, certain county primary and local roads more specifically set forth in Exhibit A, attached hereto, are under the jurisdiction and control of the Board and are located within or adjacent to the City; and

WHEREAS, The City desires to be responsible for certain maintenance of said roads under the terms of this Agreement and the Board is willing to participate in the cost thereof as provided in Section III of this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants set forth herein as provided, it is hereby agreed as follows:

I

The City hereby agrees to be responsible for performing Summer Maintenance of certain roads under the terms of this Agreement, and the Board agrees to participate in the cost thereof as provided in Section III of this Agreement. “Summer Maintenance,” herein required to be performed by City, shall mean the work and services specified in Exhibit B hereto and this Agreement. All maintenance work and services performed by the City shall be in accordance with the Board’s minimum maintenance standards and this Agreement.

II

The Board has determined and specified the equipment and personnel necessary to provide the Summer Maintenance and the City has acquired the necessary equipment and personnel so specified. The City shall keep accurate and uniform records of all Summer Maintenance work performed pursuant to this Agreement. The Board shall have the right to audit City accounts and records insofar as such documents concern this Agreement and the work and services performed and to be performed hereunder.

III

In consideration of the Summer Maintenance by the City, the Board hereby agrees to pay to the City the sum of **\$13,508.30**, as set forth in Exhibit A, attached hereto and made a part hereof. Such amounts are to be used by the City for Summer Maintenance. Payments are to be made by the Board to the City as follows:

65% on September 15, 2026  
35% upon completion of the last Summer Maintenance activity

The making of said payments shall constitute the Board’s entire obligation in reference to Summer Maintenance.

#### IV

It is specifically understood and agreed by the City and the Board that by undertaking to perform Summer Maintenance of certain county primary roads, the City does not assume the Board's legal duty to keep said roads in such condition as to be in accordance with MCLA 224.21, reasonably safe and convenient for public travel, other than as may relate to the work and service to be performed as listed in Section I above, and the City hereby agrees to hold harmless, represent, defend with counsel acceptable to the Board, and indemnify the Board; the County of Oakland; the Office of the Oakland County Water Resources Commissioner and any and all applicable drainage districts(s); the Michigan State Department of Transportation and the Transportation Commission; any and all local units(s) of government within which the roads subject to this Agreement are located, and the respective officers, agents and employees of all of the foregoing, against any and all claims, charges, complaints, damages, or causes of action for (a) public or private property damage, (b) injuries to persons, or (c) other claims, charges, complaints, damages or causes of action arising out of the performance or non-performance of the activities which are the subject matter of this Agreement, both known and unknown, whether during the progress or after the completion thereof. However, this hold harmless provision does not apply in so far as any claim or suit is alleged to be, or demonstrated to be, the result of a defect in highway design or condition and not related to the Summer Maintenance activities set out in Section I. Further, since the Board has the statutory responsibility for maintenance of the roads under this Agreement, it is the intent of the parties that the delegation by this Agreement of those maintenance responsibilities to the City provides immunity to the City as an agent of the County. Therefore, the City falls within the governmental immunity protection of the County.

During that part of the year that the City is providing Summer Maintenance under Section I, the City agrees to notify the Board within 30 days, should it become aware of defects or maintenance requirements in the roads set forth in Exhibit A, if said defects or maintenance requirements are not Summer Maintenance subject to this Agreement.

#### V

The City shall acquire and maintain, during the term of the Agreement, statutory worker's compensation, employer's liability, automobile and comprehensive general liability insurance coverages, and such other insurance coverages, as described in Exhibit C attached hereto, covering the Board's liability for any and all claims arising out of the City's performance or non-performance of the activities which are the subject matter of this Agreement, and these coverages shall be obtained and maintained in accordance with the requirements set forth in Exhibit C attached hereto and made a part hereof and shall be primary and non-contributory.

#### VI

The City further agrees to comply with all applicable laws and regulations, including laws and regulations of the State of Michigan for safeguarding the air and waters of the State. In particular, City facilities and operations must meet the provisions of Part 5 (Spillage of Oil and Polluting Materials) rules promulgated pursuant to Part 31, Water Resources Protection, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended. (Rules R324.2001 through R324.2009 address release prevention planning, secondary containment, surveillance, and release reporting requirements).

#### VII

In accordance with Michigan 1976 PA 453, as amended, and 1976 PA 220, as amended, the Contractor covenants not to discriminate against any employee or applicant for employment with respect to hire, tenure, terms, conditions, or privileges of employment, or a matter directly or indirectly related to employment, because of race, color, religion, national origin, age, sex, height, weight, marital status or because of a disability that is unrelated to the individual's ability to perform the duties of the particular job or position, and to require a similar covenant on the part of any subcontractor employed in the performance of the Agreement. A breach of this covenant may be regarded as a material breach of this Agreement.

VIII

Contractor shall utilize the provisions of the Federal E-Verify Program to verify the work authorization status of all newly hired employees; and the Road Commission for Oakland County may terminate the contract for failure of Contractor to comply with the Federal E-Verify Program.

IX

It is the intention of the parties hereto that this Agreement is not made for the benefit of any third party.

It is anticipated that subsequent agreements regarding Summer Maintenance activities will be executed annually by the parties hereto.

The terms and conditions of this Agreement shall become effective as of April 1, 2026, and shall continue in full force and effect until a subsequent Summer Maintenance agreement has been executed by the parties hereto or until this Agreement is terminated, as set forth below.

In the event that a subsequent Summer Maintenance agreement has not been executed by the parties hereto on or before October 15, 2026, either party may terminate this Agreement by providing the other party hereto with written notice of intent to terminate, at least thirty (30) days prior to the date of termination.

This Agreement is executed by the Board at its meeting of \_\_\_\_\_, and by the City by authority of a resolution of its governing body, adopted \_\_\_\_\_, (copy attached as Exhibit D).
