Subject: Resignation from DDA

Dear Cheryl,

I am resigning from the Downtown Development Authority and Brownfield Redevelopment Authority as of January 6, 2023.

I will continue to volunteer for the Promotions Committee as a resident and help fulfill the DDA vision. I am not leaving. I am repositioning my volunteer efforts to meet my current obligations.

Demands in other areas of my life are needing attention at this time and a committed schedule is something I am unable to maintain.

Sincerely,

Jennifer Zmarzlik
