This quote is valid for 30 days.

The price of concrete poles is also good for 90 days, however the price of steel poles is good for 30 days because of changing steel and tariff charges.

Fifty percent (50%) of the purchase price will be required at the time of order placement. Forty percent of the contract balance is due before shipment and the balance is due 30 days from date of the invoice. A late payment fee of 1.5% per month or 18% annual interest will be charged on accounts 30 days or more past due. All invoices are due within payment terms, regardless of construction schedules or other delays, unless prior arrangements have been made in writing. For orders outside the United States of America, payment terms are fifty percent (50%) down in U.S. dollars via wire transfer and balance is to be paid in full prior to shipping. Any order under \$10,000 must be paid in full prior to shipment of products.
