

2024 TOWN OF MEAD POLICE RESOURCES & SUPPORT SURVEY RESULTS

The Town of Mead conducted a short online community survey to gauge resident sentiment about public safety and police resources. 156 surveys were completed, and an overview of the results are below.

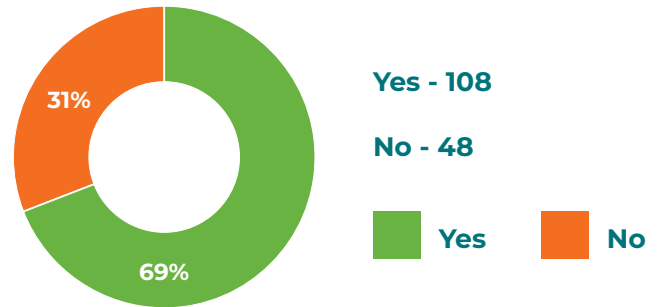

2. Current staffing includes one officer on patrol per shift. Would you support adding more officers per shift to help ensure patrol coverage across the entire Town, including local neighborhoods?

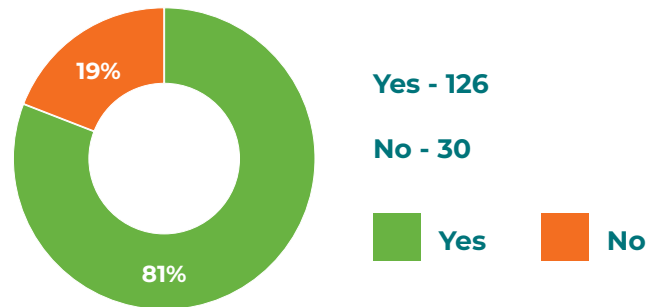

4. The Town's current police facility does Not have dedicated space for training, evidence storage, interview rooms, or holding cells. Do you support a better local police facility to improve police services in Mead?

1. Knowing that the School District is planning to build a new school in Mead, would you support additional funding to have a dedicated School Resource Officer (SRO) at every school? Current funding supports two SROs in three Mead schools.

3. Do you support community policing strategies that enhance community connections and build relationships with residents? This includes visibility at school and community gatherings, hosting the annual Citizens Police Academy, and police ride-alongs.

5. Would you consider a sales tax increase that dedicates funds that can only be used for police services to support School Resource Officers (SROs), patrol officers, equipment and facilities?
