Subject: Parks and Recreation Board Meeting Change Proposal

Category: Park Board Business

Staff Contact: Ryan Osada, Public Works Director

Summary

City staff has reviewed the Parks and Recreation Board meeting dates over a two-year period and has determined the park board could reduce the number of meetings per year from 10 meetings to 6 meetings per calendar year. The park board cancelled 3 meetings in 2022 due to lack of a Quorum or lack of Park Board business. This change would reduce board members and staff time but still allow for Park Board business and events to be done effectively and efficiently. The proposed meetings schedule would be January, March, May, July, September, and November. Park Board would keep with the current schedule of meeting on the 3rd Monday of the proposed meeting month at 5:00 p.m.
