Additionally, she thanked Board Member Brekke for her role in providing music and entertainment.

Vice Chair Surbeck praised the agility part of the event, noting its popularity and potential for future Medina Days events.

5.3 Fairweather Park - Goat Update

Recommendation: Update.

Staff Contact: Ryan Osada, Public Works Director

Director of Public Works Ryan Osada provided an update on the use of goats at Fairweather Nature Preserve. He reported that approximately 125 goats, along with four sheep and herding dogs, spent 19 days at the park, successfully clearing three to four acres of invasive ivy and blackberries. Osada explained the budget and cost-effectiveness of using goats over staff for maintenance.

Board Member India Fitting-Koh voiced concerns about the long-term effectiveness of using goats and their potential impact on native plants. She proposed adding Fairweather Nature Preserve to the Park Board Work Plan to explore additional solutions for eradicating the invasive species.

Board Member Dana Brekke commented on the use of goats and that she has a lot of experience with blackberry removal. She explained that if the blackberry shoots are consistently grazed, the roots will eventually starve and die off.

5.4 Fall Clean-up and/or Bulb Planting Event - Date TBD

The Board discussed the fall cleanup and bulb planting plans. With the success of last year's bulb planting, which resulted in many bulbs reemerging, the Park Board decided to shift focus this year to prioritize litter cleanup.
